1. BACKGROUND

Libyans formed a Government of National Accord (GNA) and begin the process of reunifying the country. This accord will be an important milestone, yet without swift and bold action by the GNA, the situation in Libya will remain dangerously prone to reform reversal and instability due to fragmented state institutions, disrupted oil exports, shrinking government revenues, and direct threat from radical groups.

Indeed, the GNA and the Libyan institutions will be put to a hard test as they will have to quickly deliver in a time when social demand from Libyans has become pressing, against a backdrop of weakened public services, under a global scenario of persistently low oil prices (and hence their revenues) and within the confines of a regional context dominated by increasing political instability and polarization.

UNSMIL along with UNDP, World Bank, and IMF—have jointly engaged in a process of post conflict research-based policy dialogue, strategic thinking and outreach on the key socio-economic and governance issues for assuring a safe transition and sustainable peace, security and development. These organizations hosted a Libyan Experts Development Cooperation Forum Meeting in Tunis on the 11-12 October 2015, in order to solicit insights from local informed people and stakeholders on the most pressing national development agenda items for the GNA to address in the transitional period and beyond.

This Meeting, the first in a series of meetings that took place in 2016 aimed to begin building a network of expertise and establish a development cooperation forum in support of the GNA. The networked forum will help build knowledge, consensus, and stakeholder engagement around socioeconomic policies and overall strategies geared towards setting Libya on a sustainable development path, thereby contributing to the success of the transitional government and to the consolidation of the intertwined processes of peace building and state building.

These organizers hosted a follow up Libyan Experts Development Cooperation Forum meeting in Tunis on 15, 16 and 17 December 2015 and another in on 30 April, 01 May 2016. They plan to hold the Forum on quarterly basis in 2016/2017, thus enabling the Forum to stand on its own, thereafter, and become a national Libyan Forum carrying out advisory consultations of a sectoral and technical nature to the GNA. In 2016, two additional meetings of the Libya Experts Development Cooperation Forum were organized (28-29 September and 31st March - 1st April) to discuss approaches to addressing the many pressing challenges facing Libya and made recommendations for the GNA as well as other stakeholders. The last meeting resulted in its institutionalization by electing its Board of Trustees and the General Assembly of the Forum.

In the event of any termination of the Contract, upon receipt of notice of termination by UNDP, the Individual contractor shall, except as may be directed by UNDP in the notice of termination or otherwise in writing: (a) take immediate steps to bring the performance of any obligations under the Contract to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum; (b) refrain from undertaking any further or additional commitments under the Contract as of and following the date of receipt of such notice; (c) deliver all completed or partially completed plans, drawings, information and other property that, if the Contract had been completed, would be required to be furnished to UNDP thereunder; (d) complete performance of the work not terminated; and (e) take any other action that may be necessary, or that UNDP may direct in writing, for the protection and preservation of any property, whether tangible or intangible, related to the Contract that is in the possession of the Individual contractor and in which UNDP has or may be reasonably expected to acquire an interest.

In the event of any termination of the Contract, UNDP shall only be liable to pay the Individual contractor compensation on a pro rata basis for no more than the actual amount of work

performed to the satisfaction of UNDP in accordance with the requirements of the Contract. Additional costs incurred by UNDP resulting from the termination of the Contract by the Individual contractor may be withheld from any amount otherwise due to the Individual contractor from UNDP..

14. **NON-EXCLUSIVITY:** UNDP shall have no obligation respecting, and no limitations on, its right to obtain goods of the same kind, quality and quantity, or to obtain any services of the kind described in the Contract, from any other source at any time.

15. **TAXATION:** Article II, section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of the United Nations from such taxes, restrictions, duties or charges, the Individual contractor shall immediately consult with UNDP to determine a mutually acceptable procedure. UNDP shall have no liability for taxes, duties or other similar charges payable by the Individual contractor in respect of any amounts paid to the Individual contractor under this Contract, and the Individual contractor acknowledges that UNDP will not issue any statements of earnings to the Individual contractor in respect of any such payments.

16. AUDITS AND INVESTIGATIONS:

Each invoice paid by UNDP shall be subject to a post-payment audit by auditors, whether internal or external, of UNDP or by other authorized and qualified agents of UNDP at any time during the term of the Contract and for a

period of two (2) years following the expiration or prior termination of the Contract. UNDP shall be entitled to a refund from the Individual contractor for any amounts shown by such audits to have been paid by UNDP other than in accordance with the terms and conditions of the Contract.

The Individual contractor acknowledges and agrees that, from time to time, UNDP may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Individual contractor generally relating to performance of the Contract. The right of UNDP to conduct an investigation and the Individual contractor's obligation to comply with such an investigation shall not lapse upon expiration or prior termination of the Contract. The Individual contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Individual contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNDP access to the Individual contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Individual contractor's personnel and relevant documentation. The Individual contractor shall require its agents, including, but not limited to, the Individual contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNDP hereunder.

17. SETTLEMENT OF DISPUTES:

AMICABLE SETTLEMENT: UNDP and the Individual contractor shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the

Conciliation Rules then obtaining of the United Nations Commission on International Trade Law (“UNCITRAL”), or according to such other procedure as may be agreed between the parties in writing.

The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any

other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 (“Interim Measures of Protection”) and Article 32 (“Form and Effect of the Award”) of the UNCITRAL Arbitration Rules.
