

## **\*TECHNICAL DRAWINGS\***

### **1. LOCATION OF CONSTRUCTION SITE**

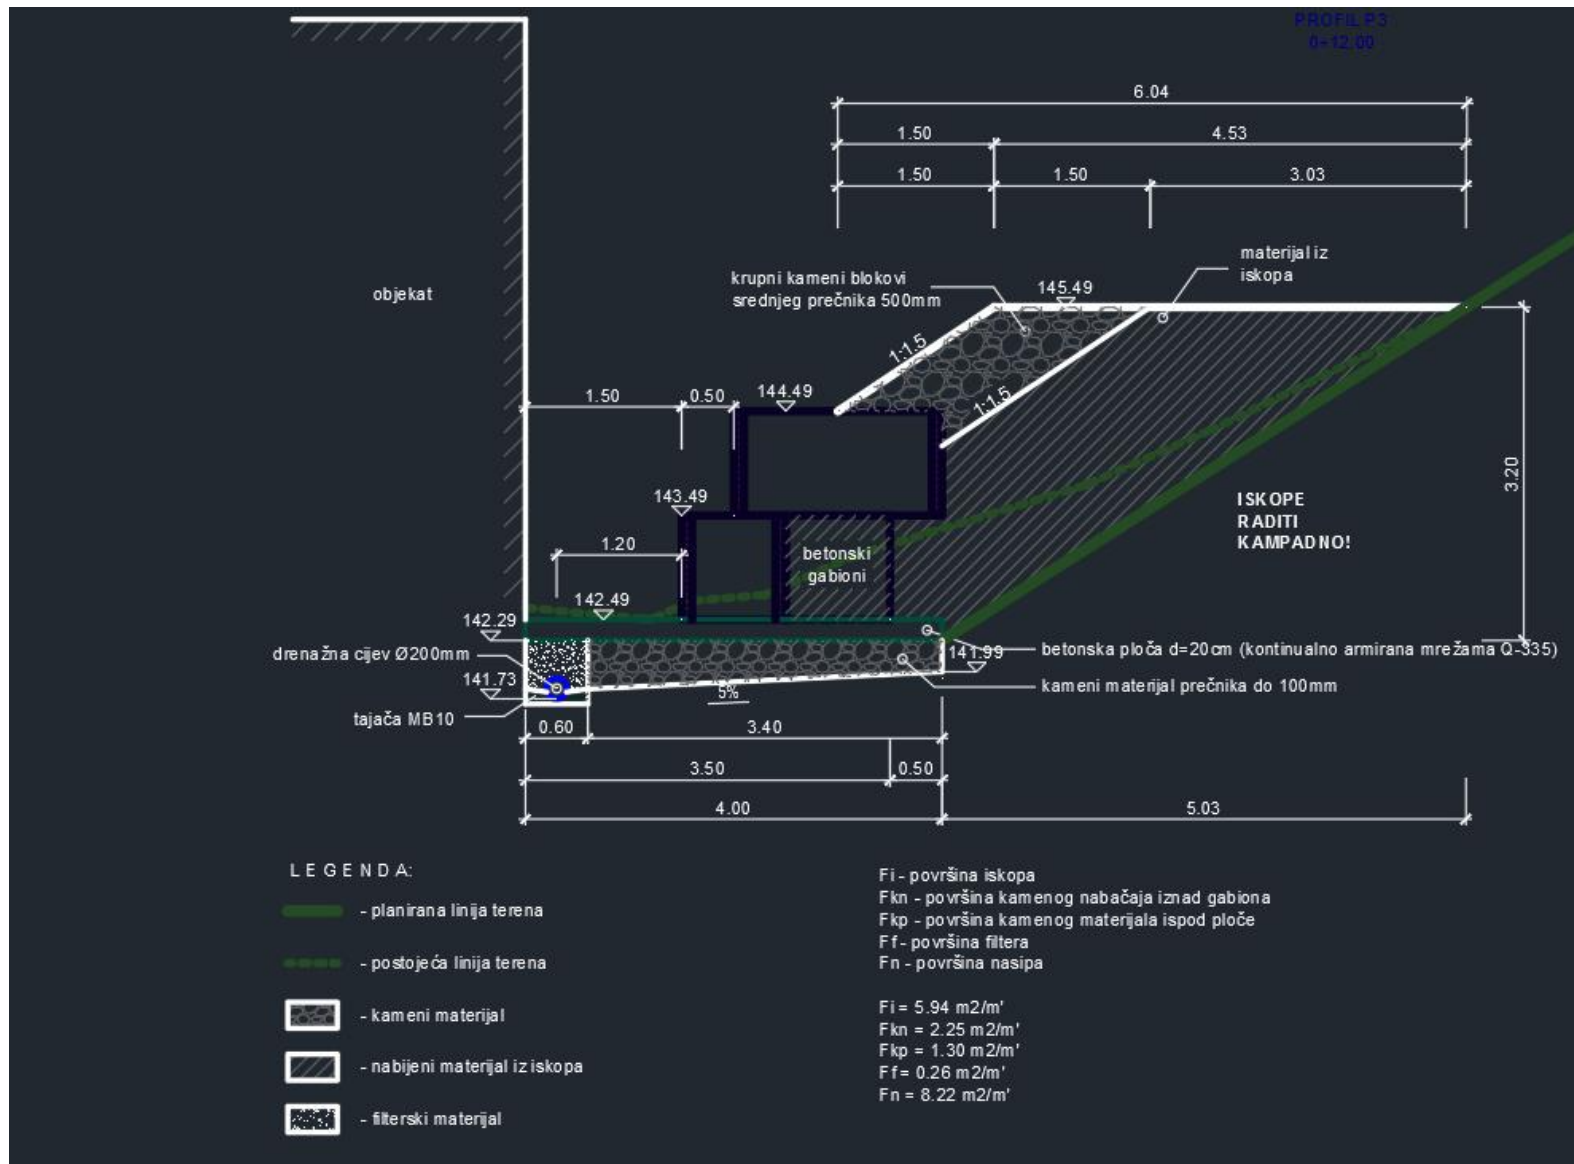

The image is a topographic map of a site, likely a construction or planning project. It features brown contour lines indicating elevation. Several buildings are shown as black outlines. A prominent red line, possibly a proposed road or path, runs diagonally across the map. Blue lines, likely representing proposed water features or drainage, are also visible. The map includes various labels for buildings and infrastructure, such as '143.885' and '143.885'. The map is oriented with North at the top.

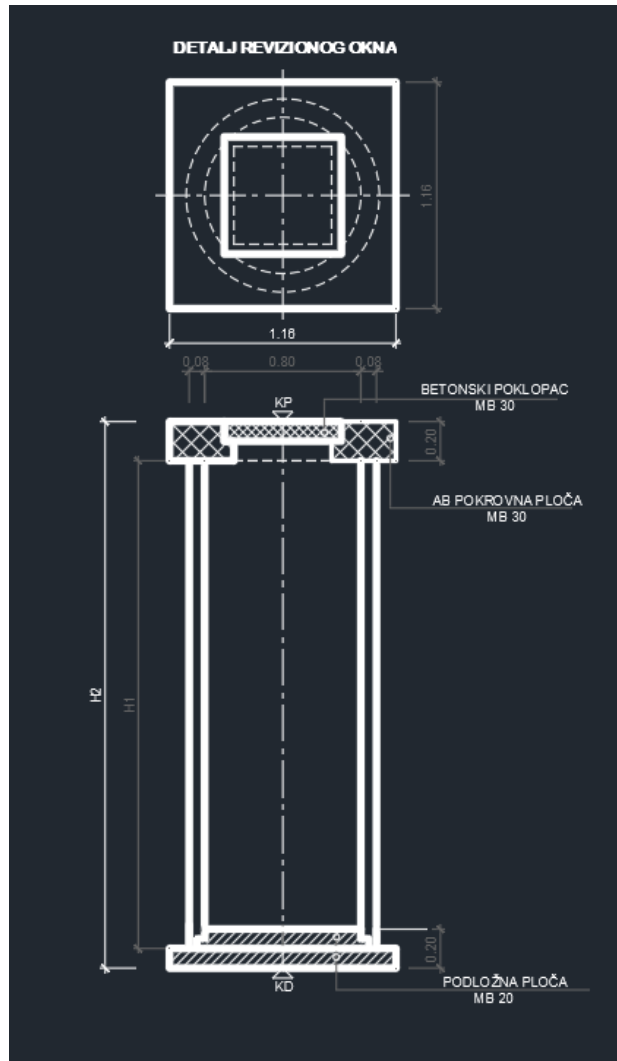

### 3. CROSS SECTION OF RETAINING WALL

#### 4. DRAWING OF MAINTENANCE SHAFT (DRAINAGE SYSTEM)

## 5. CROSS SECTION OF TRENCH (DRAINAGE SYSTEM)
