IC/028/2017/FUNDAMUSICAL “CONSULTANCY, ADVICE AND IMPLEMENTATION OF A CROWDFUNDING STRATEGY FOR THE NATIONAL SYSTEM OF YOUTH AND CHILDREN’S ORCHESTRAS AND CHOIRS OF VENEZUELA”.

Caracas, July 24, 2017

AMENDMENT 02

In terms of reference, it is necessary to change the number of additional students from 200,000 to 313,000.

The correction has been made in the TORS paragraph. Please see the following paragraph.

“To date, The System has been able to include approximately 800,000 girls, boys and young people (75% with scarce financial resources) throughout the national territory. However, the goal is to have 1,000,000 beneficiaries by 2019. The addition **of 313,000** additional students to this pedagogic model involves an incremental investment in musical instruments, teachers, logistics and infrastructure, to accommodate them in the different and increasingly large musical teaching centers (cores) distributed throughout the country with the quality and excellence that characterize The System”

Sincerely,
