

REQUEST FOR PROPOSAL (RFP)
Provision of professional geospatial technologies services

PNUD HAITI	DATE: August 16, 2017
	REFERENCE: RFP/UNDP/HAI/17/088

Dear Sir / Madam:

We kindly request you to submit your Proposal for the **Provision of professional services for creating and maintaining mapping tool and app for youth participation/monitoring of UN projects/activities.**

Please be guided by the form attached hereto as Annex 2, in preparing your Proposal.

Proposals may be submitted on or before Friday, August 25, 2017 and via email, courier mail or fax to the address below:

United Nations Development Programme
14, Rue Reimbold Bourdon
Port-au-Prince, Haïti
Email : procurement.ht@undp.org

Your Proposal must be expressed in the English or French, and valid for a minimum period of 120 days.

In the course of preparing your Proposal, it shall remain your responsibility to ensure that it reaches the address above on or before the deadline. Proposals that are received by UNDP after the deadline indicated above, for whatever reason, shall not be considered for evaluation. If you are submitting your Proposal by email, kindly ensure that they are signed and in the .pdf format, and free from any virus or corrupted files.

Services proposed shall be reviewed and evaluated based on completeness and compliance of the Proposal and responsiveness with the requirements of the RFP and all other annexes providing details of UNDP requirements.

The Proposal that complies with all of the requirements, meets all the evaluation criteria and offers the best value for money shall be selected and awarded the contract. Any offer that does not meet the requirements shall be rejected.

Any discrepancy between the unit price and the total price shall be re-computed by UNDP, and the unit price shall prevail and the total price shall be corrected. If the Service Provider does not accept the final price based on UNDP's re-computation and correction of errors, its Proposal will be rejected.

No price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted by UNDP after it has received the Proposal. At the time of Award of Contract or Purchase Order, UNDP reserves the right to vary (increase or decrease) the quantity of services and/or goods, by up to a maximum twenty five per cent (25%) of the total offer, without any change in the unit price or other terms and conditions.

Any Contract or Purchase Order that will be issued as a result of this RFP shall be subject to the General Terms and Conditions attached hereto. The mere act of submission of a Proposal implies that the Service Provider accepts without question the General Terms and Conditions of UNDP, herein attached as Annex 3.

Please be advised that UNDP is not bound to accept any Proposal, nor award a contract or Purchase Order, nor be responsible for any costs associated with a Service Providers preparation and submission of a Proposal, regardless of the outcome or the manner of conducting the selection process.

UNDP's vendor protest procedure is intended to afford an opportunity to appeal for persons or firms not awarded a Purchase Order or Contract in a competitive procurement process. In the event that you believe you have not been fairly treated, you can find detailed information about vendor protest procedures in the following link:

<http://www.undp.org/content/undp/en/home/operations/procurement/protestandsanctions/>

UNDP encourages every prospective Service Provider to prevent and avoid conflicts of interest, by disclosing to UNDP if you, or any of your affiliates or personnel, were involved in the preparation of the requirements, design, cost estimates, and other information used in this RFP.

UNDP implements a zero tolerance on fraud and other proscribed practices, and is committed to preventing, identifying and addressing all such acts and practices against UNDP, as well as third parties involved in UNDP activities. UNDP expects its Service Providers to adhere to the UN Supplier Code of Conduct found in this link : http://www.un.org/depts/ptd/pdf/conduct_english.pdf

Thank you and we look forward to receiving your Proposal.

Sincerely yours,

Deputy Country Director (DCD-O)

Description of Requirements

Context of the Requirement	The required service is to provide an online mapping tool and one related App to serve as a participatory/transparency tool to permit participatory programming, monitoring and assessment of the United Nations Development Assistance Framework (UNDAF) implementation in Haiti.
Implementing Partner of UNDP	N/A
Brief Description of the Required Services¹	<ol style="list-style-type: none"> 1. Data storage in an structured geodatabase hosted in a cloud environment 2. Public facing web mapping application bilingual (English and French) to present: <ol style="list-style-type: none"> 2.1. A multifunctional map that can include information on main outputs per pillar of intervention, implementation progress and projects geolocalization, including description and visuals, as well as participants feedback and visuals updated by webmaster (and with possibility of direct interaction/comments preapproved by the webmaster/ manager). 2.2. A second interactive map in which youth other users can update the projects they are implementing in support to specific SDGs, identifying the SDGs, description and visuals. This would result in a map showing the different actions in support of the SDGs in the country (with the possibility of filtering information for each SDG). 3. An Apps (compatible for Apple's iOS and Android) that would permit the access to the maps described in the points 2.1 and 2.2 and the interactive participation of the public. Management Dashboard bilingual (Emglish and French) with user-friendly components that would permit the edition, management and update of the maps described in the points 2.1, 2.2 and 3, including an option for managing and approve visualization of feedback/comments of participants. It includes also the possibility of a restricted access for possible additional users in order to update projects (with specific and harmonized predetermined parameters for description and visuals) that should be approved by the main manager before publication. The delivery of the App will include the platform solutions and needed assistance to ensure that it is fully operational at least for a period of three years.

¹ A detailed TOR may be attached if the information listed in this Annex is not sufficient to fully describe the nature of the work and other details of the requirements.

	<ol style="list-style-type: none"> 4. The design and activation of the applications should be done in consistent coordination with the communication officer of the Resident Coordinator integrated office and the contractor will offer the required technical assistance to ensure the sustainability of the tools, which will have to receive the conformity of the person responsible for the supervision before the end of the contract. 5. The tools described in point 2 and 3 should be conceived to permit an easy duplication/adaptation of the maps and the app for possible replications of the initiative in other contexts. 6. The duration of the contract is expected to be for 5 months and the required services described in points 1, 2, 3 and 5 must be fully operational by 15th September, although the contractor would continue collaborating with the RC office for technical assistance, trainings and possible needed adjustments. 7. The contractor will provide a technological platform solution for the maps and the App valid for a minimum of 3 years, with possibility of extension, and will also ensure the required assistance in terms of maintenance/update for the mentioned 3 years period, in order to ensure the sustainability of the project.
List and Description of Expected Outputs to be Delivered	<p>The required deliverables under the terms of reference are:</p> <ul style="list-style-type: none"> • A detailed work plan, including description of methodology and technological solutions; • Data storage in a structured geodatabase hosted in a cloud environment accessible for the UN RC office as a user for a 3 years period. • Public facing web mapping application as described in point 2 and 5; • App fully operational (including platform solutions) as described in point 3 and All technical assistance needed in support to the RC office to conceive the mapping and App tools and to ensure a satisfactory performance, including online trainings and assistance. • The contractor will provide a technological platform solution for the maps and the App valid for a minimum of 3 years, with possibility of extension, and will also ensure the required assistance in terms of maintenance/update for the mentioned 3 years period, in order to ensure the sustainability of the project.

Person to Supervise the Work/Performance of the Service Provider	Coordination and Communication officer of the Resident Coordinator Office and head of the RC office
Frequency of Reporting	<ul style="list-style-type: none"> Weekly updates on the evolution of the project in coordination with the Coordination and Communication officer of the Resident Coordinator Office. Final report describing the services and solutions provided according to the description of outputs and services.
Progress Reporting Requirements	Expected overall duration for project completion is 5 months from date of contract signature.
Location of work	Home based
Expected duration of work	Five (5) months from contract's signature date
Target start date	Upon Contract Signature by UNDP and the awarded Offeror
Latest completion date	
Travels Expected	No
Special Security Requirements	N/A
Facilities to be Provided by UNDP (i.e., must be excluded from Price Proposal)	N/A

FORM FOR SUBMITTING SERVICE PROVIDER'S PROPOSAL⁹

(This Form must be submitted only using the Service Provider's Official Letterhead/Stationery¹⁰)

[insert: Location]

[insert: Date]

To: [insert: Name and Address of UNDP focal point]

Dear Sir/Madam:

We, the undersigned, hereby offer to render the following services to UNDP in conformity with the requirements defined in the RFP dated [specify date], and all of its attachments, as well as the provisions of the UNDP General Contract Terms and Conditions:

A. Qualifications of the Service Provider

The Service Provider must describe and explain how and why they are the best entity that can deliver the requirements of UNDP by indicating the following:

- a) *Profile – describing the nature of business, field of expertise, licenses, certifications, accreditations;*
- b) *Business Licenses – Registration Papers, Tax Payment Certification, etc.*
- c) *Latest Audited Financial Statement – income statement and balance sheet to indicate its financial stability, liquidity, credit standing, and market reputation, etc.;*
- d) *Track Record – list of clients for similar services as those required by UNDP, indicating description of contract scope, contract duration, contract value, contract references;*
- e) *Certificates and Accreditation – including Quality Certificates, Patent Registrations, Environmental Sustainability Certificates, etc.*
- f) *Written Self-Declaration that the company is not in the UN Security Council 1267/1989 List, UN Procurement Division List or Other UN Ineligibility List.*

B. Proposed Methodology for the Completion of Services

The Service Provider must describe how it will address/deliver the demands of the RFP; providing a detailed description of the essential performance characteristics, reporting conditions and quality assurance mechanisms that will be put in place, while demonstrating that the proposed methodology will be appropriate to the local conditions and context of the work.

⁹ This serves as a guide to the Service Provider in preparing the Proposal.

¹⁰ Official Letterhead/Stationery must indicate contact details – addresses, email, phone and fax numbers – for verification purposes

C. Qualifications of Key Personnel

If required by the RFP, the Service Provider must provide :

- a) Names and qualifications of the key personnel that will perform the services indicating who is Team Leader, who are supporting, etc.;
- b) CVs demonstrating qualifications must be submitted if required by the RFP; and
- c) Written confirmation from each personnel that they are available for the entire duration of the contract.

D. Cost Breakdown per Deliverable*

	Deliverables <i>[list them as referred to in the RFP]</i>	Percentage of Total Price <i>(Weight for payment)</i>	Price <i>(Lump Sum, All Inclusive)</i>
1	Deliverable 1		
2	Deliverable 2		
3		
	Total	100%	

**This shall be the basis of the payment tranches*

E. Cost Breakdown by Cost Component [This is only an Example]:

Description of Activity	Remuneration per Unit of Time	Total Period of Engagement	No. of Personnel	Total Rate
I. Personnel Services				
1. Services from Home Office				
a. Expertise 1				
b. Expertise 2				
2. Services from Field Offices				
a. Expertise 1				
b. Expertise 2				
3. Services from Overseas				
a. Expertise 1				
b. Expertise 2				
II. Out of Pocket Expenses				
1. Travel Costs				
2. Daily Allowance				
3. Communications				
4. Reproduction				
5. Equipment Lease				
6. Others				
III. Other Related Costs

General Terms and Conditions for Services

1.0 LEGAL STATUS:

The Contractor shall be considered as having the legal status of an independent contractor vis-à-vis the United Nations Development Programme (UNDP). The Contractor's personnel and sub-contractors shall not be considered in any respect as being the employees or agents of UNDP or the United Nations.

2.0 SOURCE OF INSTRUCTIONS:

The Contractor shall neither seek nor accept instructions from any authority external to UNDP in connection with the performance of its services under this Contract. The Contractor shall refrain from any action that may adversely affect UNDP or the United Nations and shall fulfill its commitments with the fullest regard to the interests of UNDP.

3.0 CONTRACTOR'S RESPONSIBILITY FOR EMPLOYEES:

The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of this Contract, respect the local customs, and conform to a high standard of moral and ethical conduct.

4.0 ASSIGNMENT:

The Contractor shall not assign, transfer, pledge or make other disposition of this Contract or any part thereof, or any of the Contractor's rights, claims or obligations under this Contract except with the prior written consent of UNDP.

5.0 SUB-CONTRACTING:

In the event the Contractor requires the services of sub-contractors, the Contractor shall obtain the prior written approval and clearance of UNDP for all sub-contractors. The approval of UNDP of a sub-contractor shall not relieve the Contractor of any of its obligations under this Contract. The terms of any sub-contract shall be subject to and conform to the provisions of this Contract.

6.0 OFFICIALS NOT TO BENEFIT:

The Contractor warrants that no official of UNDP or the United Nations has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of this Contract.

7.0 INDEMNIFICATION:

The Contractor shall indemnify, hold and save harmless, and defend, at its own expense, UNDP, its officials, agents, servants and employees from and against all suits, claims, demands, and liability of any nature or kind, including their costs and expenses, arising out of acts or omissions of the Contractor, or the Contractor's employees, officers, agents or sub-contractors, in the performance of this Contract. This

provision shall extend, inter alia, to claims and liability in the nature of workmen's compensation, products liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Contractor, its employees, officers, agents, servants or sub-contractors. The obligations under this Article do not lapse upon termination of this Contract.

8.0 INSURANCE AND LIABILITIES TO THIRD PARTIES:

- 8.1** The Contractor shall provide and thereafter maintain insurance against all risks in respect of its property and any equipment used for the execution of this Contract.
- 8.2** The Contractor shall provide and thereafter maintain all appropriate workmen's compensation insurance, or the equivalent, with respect to its employees to cover claims for personal injury or death in connection with this Contract.
- 8.3** The Contractor shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of services under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its agents, servants, employees or sub-contractors performing work or services in connection with this Contract.
- 8.4** Except for the workmen's compensation insurance, the insurance policies under this Article shall:
 - 8.4.1** Name UNDP as additional insured;
 - 8.4.2** Include a waiver of subrogation of the Contractor's rights to the insurance carrier against the UNDP;
 - 8.4.3** Provide that the UNDP shall receive thirty (30) days written notice from the insurers prior to any cancellation or change of coverage.
- 8.5** The Contractor shall, upon request, provide the UNDP with satisfactory evidence of the insurance required under this Article.

9.0 ENCUMBRANCES/LIENS:

The Contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with the UNDP against any monies due or to become due for any work done or materials furnished under this Contract, or by reason of any other claim or demand against the Contractor.

10.0 TITLE TO EQUIPMENT:

Title to any equipment and supplies that may be furnished by UNDP shall rest with UNDP and any such equipment shall be returned to UNDP at the conclusion of this Contract or when no longer needed by the Contractor. Such equipment, when returned to UNDP, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear. The Contractor shall be liable to compensate UNDP for equipment determined to be damaged or degraded beyond normal wear and tear.

11.0 COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS:

- 11.1** Except as is otherwise expressly provided in writing in the Contract, the UNDP shall be entitled to all intellectual property and other proprietary rights including, but not limited to, patents, copyrights, and trademarks, with regard to products, processes, inventions, ideas, know-how, or documents and other materials which the Contractor has developed for the UNDP under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract, and the Contractor

acknowledges and agrees that such products, documents and other materials constitute works made for hire for the UNDP.

- 11.2** To the extent that any such intellectual property or other proprietary rights consist of any intellectual property or other proprietary rights of the Contractor: (i) that pre-existed the performance by the Contractor of its obligations under the Contract, or (ii) that the Contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract, the UNDP does not and shall not claim any ownership interest thereto, and the Contractor grants to the UNDP a perpetual license to use such intellectual property or other proprietary right solely for the purposes of and in accordance with the requirements of the Contract.
- 11.3** At the request of the UNDP, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring or licensing them to the UNDP in compliance with the requirements of the applicable law and of the Contract.
- 11.4** Subject to the foregoing provisions, all maps, drawings, photographs, mosaics, plans, reports, estimates, recommendations, documents, and all other data compiled by or received by the Contractor under the Contract shall be the property of the UNDP, shall be made available for use or inspection by the UNDP at reasonable times and in reasonable places, shall be treated as confidential, and shall be delivered only to UNDP authorized officials on completion of work under the Contract.

12.0 USE OF NAME, EMBLEM OR OFFICIAL SEAL OF UNDP OR THE UNITED NATIONS:

The Contractor shall not advertise or otherwise make public the fact that it is a Contractor with UNDP, nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of UNDP or THE United Nations, or any abbreviation of the name of UNDP or United Nations in connection with its business or otherwise.

13.0 CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION:

Information and data that is considered proprietary by either Party and that is delivered or disclosed by one Party ("Discloser") to the other Party ("Recipient") during the course of performance of the Contract, and that is designated as confidential ("Information"), shall be held in confidence by that Party and shall be handled as follows:

13.1 The recipient ("Recipient") of such information shall:

- 13.1.1** use the same care and discretion to avoid disclosure, publication or dissemination of the Discloser's Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate; and,
- 13.1.2** use the Discloser's Information solely for the purpose for which it was disclosed.

13.2 Provided that the Recipient has a written agreement with the following persons or entities requiring them to treat the Information confidential in accordance with the Contract and this Article 13, the Recipient may disclose Information to:

- 13.2.1** any other party with the Discloser's prior written consent; and,
- 13.2.2** the Recipient's employees, officials, representatives and agents who have a need to know such information for purposes of performing obligations under the Contract, and employees officials, representatives and agents of any legal entity that it controls controls it, or with which it is under common control, who have a need to know such information.

for purposes of performing obligations under the Contract, provided that, for these purposes a controlled legal entity means:

13.2.2.1 a corporate entity in which the Party owns or otherwise controls, whether directly or indirectly, over fifty percent (50%) of voting shares thereof; or,

13.2.2.2 any entity over which the Party exercises effective managerial control; or,

13.2.2.3 for the UNDP, an affiliated Fund such as UNCDF, UNIFEM and UNV.

- 13.3** The Contractor may disclose Information to the extent required by law, provided that, subject to and without any waiver of the privileges and immunities of the United Nations, the Contractor will give the UNDP sufficient prior notice of a request for the disclosure of Information in order to allow the UNDP to have a reasonable opportunity to take protective measures or such other action as may be appropriate before any such disclosure is made.
- 13.4** The UNDP may disclose Information to the extent as required pursuant to the Charter of the UN, resolutions or regulations of the General Assembly, or rules promulgated by the Secretary-General.
- 13.5** The Recipient shall not be precluded from disclosing Information that is obtained by the Recipient from a third party without restriction, is disclosed by the Discloser to a third party without any obligation of confidentiality, is previously known by the Recipient, or at any time is developed by the Recipient completely independently of any disclosures hereunder.
- 13.6** These obligations and restrictions of confidentiality shall be effective during the term of the Contract, including any extension thereof, and, unless otherwise provided in the Contract, shall remain effective following any termination of the Contract.

14.0 FORCE MAJEURE; OTHER CHANGES IN CONDITIONS

- 14.1** In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to the UNDP, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify the UNDP of any other changes in conditions or the occurrence of any event that interferes or threatens to interfere with its performance of this Contract. On receipt of the notice required under this Article, the UNDP shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.
- 14.2** If the Contractor is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, the UNDP shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 15, "Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.
- 14.3** Force majeure as used in this Article means acts of God, war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature or force.
- 14.4** The Contractor acknowledges and agrees that, with respect to any obligations under the Contract that the Contractor must perform in or for any areas in which the UNDP is engaged in, preparing to engage in, or disengaging from any peacekeeping, humanitarian or similar operations, any delays or failure to perform such obligations arising from or relating to harsh conditions within such areas or to any incidents of civil unrest occurring in such areas shall not, in and of itself, constitute force majeure under the Contract..

15.0 TERMINATION

- 15.1** Either party may terminate this Contract for cause, in whole or in part, upon thirty (30) days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 16.2 ("Arbitration"), below, shall not be deemed a termination of this Contract.
- 15.2** UNDP reserves the right to terminate without cause this Contract at any time upon 15 days prior written notice to the Contractor, in which case UNDP shall reimburse the Contractor for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.
- 15.3** In the event of any termination by UNDP under this Article, no payment shall be due from UNDP to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract.
- 15.4** Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, the UNDP may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate this Contract forthwith. The Contractor shall immediately inform the UNDP of the occurrence of any of the above events.

16.0 SETTLEMENT OF DISPUTES

- 16.1 Amicable Settlement:** The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of this Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the UNCITRAL Conciliation Rules then obtaining, or according to such other procedure as may be agreed between the parties.
- 16.2 Arbitration:** Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably under Article 16.1, above, within sixty (60) days after receipt by one Party of the other Party's written request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. For all evidentiary questions, the arbitral tribunal shall be guided by the Supplementary Rules Governing the Presentation and Reception of Evidence in International Commercial Arbitration of the International Bar Association, 28 May 1983 edition. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 ("Interim Measures of Protection") and Article 32 ("Form and Effect of the Award") of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate ("LIBOR") then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.

17.0 PRIVILEGES AND IMMUNITIES:

Nothing in or relating to this Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.

18.0 TAX EXEMPTION

18.1 Section 7 of the Convention on the Privileges and Immunities of the United Nations provides, inter alia that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the United Nations exemption from such taxes, duties or charges, the Contractor shall immediately consult with the UNDP to determine a mutually acceptable procedure.

18.2 Accordingly, the Contractor authorizes UNDP to deduct from the Contractor's invoice any amount representing such taxes, duties or charges, unless the Contractor has consulted with the UNDP before the payment thereof and the UNDP has, in each instance, specifically authorized the Contractor to pay such taxes, duties or charges under protest. In that event, the Contractor shall provide the UNDP with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized.

19.0 CHILD LABOUR

19.1 The Contractor represents and warrants that neither it, nor any of its suppliers is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, inter alia, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical mental, spiritual, moral or social development.

19.2 Any breach of this representation and warranty shall entitle UNDP to terminate this Contract immediately upon notice to the Contractor, at no cost to UNDP.

20.0 MINES:

20.1 The Contractor represents and warrants that neither it nor any of its suppliers is actively and directly engaged in patent activities, development, assembly, production, trade or manufacture of mines or in such activities in respect of components primarily utilized in the manufacture of Mines. The term "Mines" means those devices defined in Article 2, Paragraphs 1, 4 and 5 of Protocol II annexed to the Convention on Prohibitions and Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects of 1980.

20.2 Any breach of this representation and warranty shall entitle UNDP to terminate this Contract immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind of UNDP.

21.0 OBSERVANCE OF THE LAW:

The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of this Contract.

22.0 SEXUAL EXPLOITATION:

- 22.1** The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by it or by any of its employees or any other persons who may be engaged by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, shall constitute the sexual exploitation and abuse of such person. In addition, the Contractor shall refrain from, and shall take all appropriate measures to prohibit its employees or other persons engaged by it from, exchanging any money, goods, services, offers of employment or other things of value, for sexual favors or activities, or from engaging in any sexual activities that are exploitive or degrading to any person. The Contractor acknowledges and agrees that the provisions hereof constitute an essential term of the Contract and that any breach of this representation and warranty shall entitle UNDP to terminate the Contract immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.
- 22.2** The UNDP shall not apply the foregoing standard relating to age in any case in which the Contractor's personnel or any other person who may be engaged by the Contractor to perform any services under the Contract is married to the person less than the age of eighteen years with whom sexual activity has occurred and in which such marriage is recognized as valid under the laws of the country of citizenship of such Contractor's personnel or such other person who may be engaged by the Contractor to perform any services under the Contract.

23.0 AUTHORITY TO MODIFY:

Pursuant to the Financial Regulations and Rules of UNDP, only the UNDP Authorized Official possesses the authority to agree on behalf of UNDP to any modification of or change in this Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against UNDP unless provided by an amendment to this Contract signed by the Contractor and jointly by the UNDP Authorized Official.

Terms of References Professional Services

Provision of professional geospatial technologies services

Services Title: Entity/firm specialized on geospatial technologies to create and maintain two mapping tools and an App for youth participation/monitoring of UN projects/activities

Location: Home based.

Type of contract : Contract of Services

Duration of contract : 5 months

Expected Duration of assignment:

Starting date:

Application deadline:

1. Background and objectives of the assignment

The UN System in Haiti is preparing the United Nations Sustainable Development Framework (UNDAF) in Haiti for 2017-2021. As part of a communication and advocacy innovative project, the Resident Coordinator Office is leading a project to strengthen the participation of youth in monitoring and giving feedback during the period of implementation of the UNDAF. In order to support this initiative, the RC Office wants to provide an online mapping tool and one related App to serve as a participatory/transparency tool to permit participatory programming, monitoring and assessment.

2. Scope of assignment

Working under the overall guidance of the Head of the Resident Coordinator Office (RCO), and the direct coordination of the communication officer of the RCO, the provider shall conceptualize and create an online mapping tool and one related App to serve as a participatory/transparency tool to permit participatory programming, monitoring and assessment of the United Nations Development Assistance Framework (UNDAF) implementation in Haiti. The provider will also ensure that these tools are hosted in a structured geodatabase in a cloud environment (sustainable and available for the use of the RCO for at least 3 years) and will facilitate to the RCO the technical assistance and maintenance required to manage the tools, which must be designed to be user-friendly and easy to be duplicated and replicated in other contexts.

3. Duties and responsibilities

To achieve the objectives of the assignment, the provider will :

- 1- Provide the data storage in a structured geodatabase hosted in a cloud environment ready to use by the RCO and available for at least 3 years.
- 2- Design and create a fully operational public facing web mapping application bilingual (English and French) to present:
 - A. A multifunctional map that can include information on main outputs per pillar of intervention, implementation progress and projects geolocalization, including description and visuals, as well as participants feedback and visuals updated by webmaster (and with possibility of direct interaction/comments preapproved by the webmaster/ manager).
 - B. A second interactive map in which youth other users can update the projects they are implementing in support to specific SDGs, identifying the SDGs, description and visuals. This would result in a map showing the different actions in support of the SDGs in the country (with the possibility of filtering information for each SDG).
- 3- Design and create a fully operational App (compatible for Apple's iOS and Android) that would permit the access to the maps described above and the interactive participation of the public.
- 4- Design and provide a fully operational management Dashboard bilingual (English and French) with user-friendly components that would permit the edition, management and update of the maps described in the

points 2.1, 2.2 and 3, including an option for managing and approve visualization of feedback/comments of participants. The tool also includes the possibility of a restricted access for possible additional users in order to update projects (with specific and harmonized predetermined parameters for description and visuals) that should be approved by the main manager before publication. The delivery of the App will include the platform solutions and needed assistance to ensure that it is fully operational at least for a period of three years.

- 5- The provider will offer the required technical assistance to ensure the sustainability of the tools, which will have to receive the conformity of the person responsible for the supervision before the end of the contract.
- 6- Ensure that the tools described in point 2 and 3 are conceived to permit an easy duplication/adaptation of the maps and the app for possible replications of the initiative in other contexts.

4. Duration of Assignment

- The duration of the contract is expected to be for 5 months and the required services described in points 1, 2, 3 and 5 must be fully operational by 15th September, although the contractor would continue collaborating with the RC office for technical assistance, trainings and possible needed adjustments. In addition, the provider engages to provide maintenance and technical assistance when needed during a three-year period to ensure the sustainability of the project.
- The contractor will provide a technological platform solution for the maps and the App valid for a minimum of 3 years, with possibility of extension, and will also ensure the required assistance in terms of maintenance/update for the mentioned three-year period, in order to ensure the sustainability of the project.

5. Deliverables

- Detailed work plan, including description of methodology and technological solutions.
- Data storage in a structured geodatabase hosted in a cloud environment accessible for the UN RC office as a user for a 3 years period.
- Public facing web mapping application as described in point 2 and 5.
- App fully operational (including platform solutions) as described in point 3 and 5.
- All technical assistance needed in support to the RC office to conceive the mapping and App tools and to ensure a satisfactory performance, including online trainings and assistance, the sustainability of the project and possible future duplications of the tool to be applied in other contexts.
- The contractor will provide a technological platform solution for the maps and the App valid for a minimum of 3 years, with possibility of extension, and will also ensure the required assistance in terms of maintenance/update for the mentioned 3 years period, in order to ensure the sustainability of the project.
- A guideline to permit an easy duplication/adaptation of the maps and the app for possible replications of the initiative in other contexts.

6. Institutional setting and reporting mechanism

- The provider will be contracted by the RCO in Haiti and will report to the RC Head of Office.

7. Required skills and experience

- 5 years of proved experience in projects of geospatial technologies and development of mapping tools and/or apps, with a proved report of implemented projects.
- Being part or an associated entity of a recognized research center in geospatial technologies with experience in terms of training and transfer of technological knowledge is an asset.
- Having a team of professionals with experience in projects of geospatial technologies and development of mapping tools and/or apps, with a proved report of implemented projects and platforms/technological solutions.

- Having a sustainable projection as an entity that could ensure technical assistance/maintenance during the period required in the description of services.

9. Payment modality

The UNDP standard method of payment is the output-based lump-sum scheme and the payment will be made upon completion of the tasks as agreed at the time of signing the contract. The amount paid shall be inclusive of all associated costs such as social security, pension and income tax etc.

10. Application Procedure

Qualified and interested candidates are requested to send their application via e-mail to:

The application should contain the following:

1. Letter of confirmation of interest and availability.
2. A description of the entity with legal identification (with a minimum of three professional referees with their e-mail addresses) and CV of the team.
3. Links and any relevant document as an example of the previously conducted work in the domain of geospatial technologies.
4. Financial proposal with a breakdown of service fee and other costs that are expected to be incurred (this proposal must be sent following the guidelines of the request for proposal (RFP) and separate from the technical proposal).
5. Technical proposal with proposed methodology, solutions and brief scheduled work plan (this proposal must be sent following the guidelines of the request for proposal (RFP) and separate from the financial proposal).

Evaluation criteria

Applicants will be evaluated based on cumulative analysis (i.e. technical qualifications and price proposal). The weight of the technical criteria is 70%; the weight of the financial proposal is 30%. Only candidates who obtain a minimum of 70% in the technical evaluation will be considered for the financial evaluation.
