

**ITB-029/18 - Rehabilitation of Oil and Fuel Depots Wady Hajar, West Mosul,
Ninewa Governorate**

Site visit date: 15 February 2018

**QUESTIONS AND ANSWERS
RAISED DURING SITE VISIT**

QUESTIONS RAISED BY BIDDERS DURING SITE VISIT	RESPONSES PROVIDED BY UNDP ENGINEER
There's a site preparation in each item, does this include the whole project?	No. As indicated in the BOQ, each section has site preparation.
Petrol station/mechanical work/item 3: there's no compliance sheet attached.	The pumps are already exit, only installation is required.
How about the locations of the lighting towers?	The location shall be determined by the depot employees and the contractor shall be responsible to install them.
