

8 March 2018

Subject: Response to Bidders Request for Clarification: ITB 105/18 Supply and Installation of Electric Motors in Badush Cement Factory -Ninawa Governorate

Bidders are advised of the following response to request for clarifications:

Questions	Response
In the attached BOQ, you have specified Alsthom make for Motor no. 1 & 2. Please check & confirm if we can supply other makes of motors for Motor no. 1, 2 & 3 considering that we match the mounting details & physically match the dimensions.	the original brand of motors was mentioned to provide guidance to bidders that these are the motors that were installed in the cement mills. Any other motor is acceptable as long as the company can guarantee that the motors offered can match the requirements as well as warranty period.
This will be a problem in response to the detection requirements prepared by you, which specified the manufacturer and the place of manufacture, so we await your answer	
In order to allow us good time to prepare and submit a compliant & competitive offer, we request you to kindly grant us 2 weeks extension in the date of submission to allow bid submission up to March 31' 2018	Deadline of bid submission has been moved from 15 March 2018 to 22 March 2018

Please be guided accordingly.
