United Nations Development Programme

Invitation to Bid (ITB)

PISU/ITB/007/2012: Supply and Delivery of Early Warning System Equipment

UNDP Nepal works in the areas of transitional governance, pro-poor policies and sustainable livelihoods, peace building and recovery, energy, environment and natural disaster management along with gender and HIV as cross cutting issues with its annual programme of US\$ 40 million. It was established in Nepal in 1963 and works closely with the Government and development partners, thousands of community and civil society groups in all 75 districts of Nepal. In all its activities, UNDP encourages social inclusion, protection of human rights and empowerment of women.

Further to our Invitation to Bid (ITB) (Ref. no.: PISU/ITB/007/2012: Supply and Delivery of Early Warning System Equipment) published in the ***Kantipur Daily*** and ***The Himalayan Times*** on **19th October 2012**; please be informed that the submission deadline has been extended until 12 pm, 22 November 2012.
