

REQUEST FOR PROPOSAL (RFP)

NAME & ADDRESS OF FIRM	DATE: May 11, 2018
	REFERENCE: PRC/ZWE/RFP/1769/18/4/2018 Request for Proposals for the Provision of in-house printing services

Dear Sir / Madam:

We kindly request you to submit your Proposal for [provision of in-house printing, photocopying and scanning services to UNDP](#). Please be guided by the form attached hereto as Annex 2, in preparing your Proposal.

Proposals may be submitted on <https://etendering.partneragencies.org> on or before the date indicated in the system.

Your Proposal must be expressed in the English Language, and valid for a minimum period of 120 days. Documents uploaded in the system as part of your Proposal must be free from any form of virus or corrupted contents, or the Proposal shall be rejected.

If you have not registered in the system before, you can register now by logging in using
username: event.guest
password: why2change
and follow the registration steps as specified in the system user guide.

If you have already registered before, sign in using the username and password. Use the “forgotten password” button if you do not remember your password. Make sure that your password has at least 8 characters, at least one in capital letters, and contains at least 1 number.

Detailed instructions on how to submit, modify or cancel a bid in the eTendering system are provided in the eTendering system Bidder User Guide and Instructional videos available on this link: <http://www.undp.org/content/undp/en/home/operations/procurement/business/procurement-notices/resources/>

It shall remain your responsibility to ensure that your quotation is submitted on or before the deadline indicated by UNDP in the e-Tendering system. Bids must be submitted in the online e-Tendering system in the following link: <https://etendering.partneragencies.org> using your username and password.

Services proposed shall be reviewed and evaluated based on completeness and compliance of the Proposal and responsiveness with the requirements of the RFP and all other annexes providing details of UNDP requirements.

The Proposal that complies with all of the requirements, meets all the evaluation criteria and offers the best value for money shall be selected and awarded the contract. Any offer that does not meet the requirements shall be rejected.

Any discrepancy between the unit price and the total price shall be re-computed by UNDP, and the unit price shall prevail and the total price shall be corrected. If the Service Provider does not accept the final price based on UNDP's re-computation and correction of errors, its Proposal will be rejected.

No price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted by UNDP after it has received the Proposal.

Any Contract or Purchase Order that will be issued as a result of this RFP shall be subject to the General Terms and Conditions indicated herein. The mere act of submission of a Proposal implies that the Service Provider accepts without question the General Terms and Conditions of UNDP in this link: <http://www.undp.org/content/undp/en/home/procurement/business/how-we-buy.html>

Please be advised that UNDP is not bound to accept any Proposal, nor award a contract or Purchase Order, nor be responsible for any costs associated with a Service Providers preparation and submission of a Proposal, regardless of the outcome or the manner of conducting the selection process.

UNDP's vendor protest procedure is intended to afford an opportunity to appeal for persons or firms not awarded a Purchase Order or Contract in a competitive procurement process. In the event that you believe you have not been fairly treated, you can find detailed information about vendor protest procedures in the following link: <http://www.undp.org/content/undp/en/home/operations/procurement/protestandsanctions/>

UNDP encourages every prospective Service Provider to prevent and avoid conflicts of interest, by disclosing to UNDP if you, or any of your affiliates or personnel, were involved in the preparation of the requirements, design, cost estimates, and other information used in this RFP.

UNDP implements a zero tolerance on fraud and other proscribed practices, and is committed to preventing, identifying and addressing all such acts and practices against UNDP, as well as third parties involved in UNDP activities. UNDP expects its Service Providers to adhere to the UN Supplier Code of Conduct found in this link : http://www.un.org/depts/ptd/pdf/conduct_english.pdf

Thank you and we look forward to receiving your Proposal.

Sincerely yours,

Tazvidya Chivende
Procurement Associate

TERMS OF REFERENCE (TOR)

Provision of Printing Services to UNDP

Background

The United Nations Development Programme (UNDP) in Zimbabwe like any other organization is naturally searching for ways to reduce costs and operate more efficiently. One of the challenges is to measurably achieve cost savings by controlling printer-related expenses and improve overall printing functionality for the organization. It is against this background that UNDP Zimbabwe seeks a to engage a service provider to provide Managed Print Services (MPS) in line with good business practices which meets accepted international industry standards and practices. UNDP Zimbabwe wishes to contract a highly qualified Service Provider to provide in-house printing and photocopying services in a way that will strive to reduce operating costs, reduce wastages, track the usage, control the workflow and improve productivity and efficiency.

Scope of Work

The Contractor shall provide the following goods/services:

1. Install All-in-One devices for printing/photocopying/scanning. The equipment shall be availed in different locations within the Arundel Office Park, i.e. Block 7, Block 9, Block 10 and Block 11. The minimum specifications and quantities are as indicated in Table A below.
2. Supply toners, cartridges, drum units, fixing units, maintenance kits, and all spares for all the installed equipment. **UNDP will provide the printing/bond paper;** however the service provide shall advise UNDP on the quality and standard of paper to be used.
3. Provide necessary training to all staff regarding use of the availed printing/scanning and photocopying equipment.
4. Maintain the installed equipment in excellent working condition and provide standby equipment of medium or equal capacity in the case of non-restoration of a technical failure of existing equipment within 24 hours from its reported time. The ownership of all installed equipment remains with the Contractor.
5. Provide monthly counter reading reports which include equipment utilization user wise to UNDP on a monthly basis. These reports should be automatically generated and sent via Email.
6. Install Management software which should include the following features:
 - ✓ Able to be synchronized with Active Directory and pick all the users automatically;
 - ✓ Should be able to read the counters from standalone printers (Desktop printers connected via USB port);

- ✓ Fully automated report generation giving summary, detailed and total activity reports by user, departments;
- ✓ Usage breakdown per individual and summaries;
- ✓ Photocopy Tracking – Secure Photocopying using unique PIN;
- ✓ Allocation of PIN to individuals;
- ✓ Online and accurate counting of printed/copied pages;
- ✓ Remote Account Management;
- ✓ Personal Account Statement;
- ✓ Personalized and standard templates for reports;
- ✓ Secure printing and Follow-me printing options – Users should be able to collect their print outs from whichever equipment they want.

Deliverables/Outputs:

- Well-functioning all-in-one devices for printing/photocopying/scanning able to handle an average of 25 000 copies per month;
- Summarized and detailed monthly utilization reports;

Qualifications of the Successful Contractor

The successful firm must demonstrate the following qualifications and experience:

- The company must have been registered for at least 5 years.
- Provision of similar services for a minimum period of 2 years.
- Manufacturer's authorized distributor of equipment proposed (Proof to be provided).
- The firm should have qualified personnel who will provide service under the contract. At a minimum, the firm should have the following key staff whose CVs and copies of certificates must be submitted together with the proposal for evaluation:
 - One Account Manager with at least Diploma Level Qualification in Management, ICT or related fields and at least five years similar work experience;
 - One Systems Administrator with a qualification in ICT, at least 5 years' experience and experience in installing proposed system;
 - Two Certified Service Staff for equipment proposed with at least 2 years' experience.
- At least three reference letters from present or past clients to whom similar services were provided within the past three years.
