Q1) What is the expected amount for every round or every invoice (that mean will process the invoice for weekly distribution or monthly distribution and how much the expected amount of invoice that will process)?

A) The plan is to distribute USD 25,000 per week, which is covering 50 beneficiaries per day (500 USD per beneficiary) as the distribution will be for 5 days per week. The target monthly distribution is USD 600,000. As indicated the total distribution amount is USD 1,500,000 the invoices will be as follow:

- First invoice 40%
- Second invoice 40%
- Third invoice 20%;
