CLARIFICATION NOTE #2

REFERENCE: 13501 RSC 2018 – GGP Landscape Analysis for Good Growth Partnership (GGP) and Green Commodities Programme (GCP)

Date: July 9, 2018

The following inquiries have been received in relation to the above-mentioned process:

Question #1: Do you have some information about the fee structure that is used for this project? Do you use specific fee structures, or do you have a maximum fee? Also, is there any indication on the budget?

Answer to question #1: The approved fee structure consists on payment percentages assigned to each deliverable based on the financial proposal of the consultant; this table can be seen on the terms of reference found on pages 25-26 of 29, Section K - Scope of Bid Price and Schedule of Payments. As indicated, the fee structure is specific, applicable to the amount of the proposal. The approved budget for this consultancy must remain undisclosed to all parties interested in participating in this competitive process.
