Subject : Extension of deadline for submission of bids for RFPMAR2018/008 – Consultancy Services for the Design, Testing and Commissioning of a Management Information System for the Mauritius Renewable Energy Agency (MARENA – Lot 1) and Utility Regulatory Authority (URA – Lot 2)

The above RFP was advertised on 10 August 2018 with the deadline for submission of bids set on 31 August 2018. Two potential bidders (Deloitte and PWC) have requested for an extension of the deadline for submission in order to be able to better prepare their respective bids. Given both potential bidders have shown a genuine interest in bidding for the proposal and are well established organisations, a one week extension is suggested.

It is therefore recommended to extend the deadline to Friday 7 September 2018

Submitted for your kind consideration and approval.

Thank You.
