Response to Bidder Request for Clarification

Subject: ITB676-18 Rehabilitation of 359 Housing –Rehabilitation of 359 Housing Units in Bab Jadid Neighborhood-Al-Ghizlani Area-West Mosul-Ninawa Governorate

Question received from a Bidder	UNDP Response
1- there is no concrete cubic test including in this work.	Tests are required for all the materials.
1- Please Only the UNDP Coordinator responsible to receipt the work after we completed.	The work should be done according to the Iraqi specifications. There will be no problem if other governmental partnership will be in the receipt committee.

Please be guided accordingly.
