ADDENDUM 01 - RESPONSE TO REQUEST FOR CLARIFICATIONS:

**ITB-707-18: Rehabilitation of Sport Hall Second Compound in Mosul
University-East Mosul-Ninawa Governorate**

Following the completion of the site visit, UNDP is pleased to inform all interested potential bidders of the clarifications as provided below;

No:	Bidders Requests for Clarification	UNDP Response to Bidder's "Request for Clarification"
1.	Where will the AC be located?	The location of the AC will be advised by the end user to the successful contractor.
2	In the sports hall where exactly will the ventilation be? Will it be on top of the roof?	There will be no ventilation on the roof. The ventilation mentioned in item #21 of the civil part, aluminum ventilations will be placed ^{on} around the top of the hall walls and somewhere in the building windows, and that for item #23, is repairing of the existing sliding steel ventilations.
3	Shall the old roof system be removed and replaced?	Yes. The old roof will be removed and replaced as details in the BoQ for this project (Civil works item #4). All potential bidders to note accordingly.
4	The electrical compliance sheet does not match the requirements in the BOQ.	All potential bidders to note the new electrical compliance sheet matching the BoQ that has been attached to the event.

This Addendum - I form an integral part of the ITB -707/18.

All other Terms and Conditions in this ITB will remain unchanged.

Yours sincerely,

Piero Emanuele Franceschetti
