Subject: Amendment to Request for Proposal (RFP) Technical Assistance and Advisory Service on Fuel Cell and Fuel Cell Components Related Technology.

With reference to the RFP-Technical Assistance and Advisory Service on Fuel Cell and Fuel Cell Components Related Technology on 5 November 2018, UNDP hereby informs you the following updates:

1) In Section 3: Bid Data Sheet

BDS No.	Ref. to Section.2	Data	Specific Instructions / Requirements
10	18	Currency of Proposal	Local currency-Renminbi Yuan US Dollar Euro
14	23	Deadline for Submission	2PM, 26 November 2018, Beijing time

2) In For G: Financial Proposal Form

Table 3: Travel cost to project sites

The consultant(s) appointed or designated by the bidder may need to travel to various cities in the country, such as, but not limited to: Beijing, Shanghai, Foshan City (Guangdong Province), Yancheng City (Jiangsu Province), and Zhengzhou City (Henan Province), etc. as required by UNDP/PMO. The consultant(s) will meet with government officials, project participants, and other stakeholders to acquire project information and implementation. The final destination, travel schedule and logistics will be determined by PMO in consultation with UNDP.

The Proposers are requested to use below scenario and table to quote an average domestic travel cost per person and a grand total, for the purpose of financial assessment in the evaluation process.

Scenario: **Three travels** to Beijing, Shanghai, Foshan City (Guangdong Province), might be conducted.

Unit price on average travel cost including ticket and accommodation per person/RMB	Assume 4 persons will be travelling each time	Assume 5 days are needed for a travel	Estimated times of travel	Grand total/RMB
Please indicate	4 persons	5 days	3 times (once for each destination)	Please calculate

This amendment notice will also be posted on the website where UNDP has advertised the RFP.

Except the changes mentioned above, all other contents of the RFP remain unchanged.
