**ADDENDUM 01 - RESPONSES TO QUESTIONS ASKED DURING SITE VISIT:**

**ITB 757/18- Rehabilitation of 400 Housing Units in Al Nahrawan Neighborhood-Al Rabee Area- West Mosul**

Based on the site visit, the following questions were asked and with responses given during the site visit.

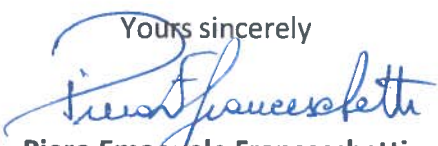

All

#	BIDDER QUESTIONS	UNDP RESPONSES
1.	How to deal with homeowners to evacuate their homes?	Homeowners will be notified earlier before starting restoration work in consultation with the Government counterpart.
2.	What are the mechanism of treatment of damaged walls including cracks and others.	The work should be done in accordance with the BOQs specifications.
3.	What is the mechanism and parameters of replacement of doors.	Each door according to the degree of damage, quality and location. The details are provided in the BOQs with detailed specifications.
4.	Are old ceiling fans also replaced? if they work.	No, only if they are not available at the specified location. However, all the work should be done in accordance with the BOQs attached to the ITB.
5.	Is it our duty to supply air discharge devices?	No, we do not have that option. All the work should be done in accordance with the BOQs attached to the ITB.
6.	How to deal with the security force in the area?	The Government Counterpart will facilitate the process and also provide further instruction to deal with security forces.

This Addendum I form an integral part of the ITB-757/18.

All other Terms and Conditions in this ITB will remain unchanged.

Yours sincerely
