

RESPONSE TO BIDDER #1

Request for Proposals:- **Integrating Gender Considerations in Justice Reform through Public Education and Social Context Sensitization**

Reference code:- UNDP/JUST – 2018/05

- **Question:**

Bidder #1 - We are very interested in submitting a proposal in response to the RFP mentioned above and issued on December 3, 2018: Integrating Gender Considerations in Justice Reform through Public Education and Social Context Sensitization in Jamaica. It was mentioned at the Monday meeting with potential interested parties, that postponing the submission date can be considered upon requests received from potential bidders. I am therefore submitting this request accordingly. If you can consider postponing the submission date and time to COB (5:00pm ET) on Friday January 4, 2019.

Bidder #2 - We are hereby requesting an extension to the submission deadline for an additional two (2) weeks due to the following substantive reasons:

The period for responding to the Request for Proposal falls within the festive season when most offices are usually closed for the holidays.

Most of our Experts and staff are off on scheduled vacation with their family and will not be available to make an input to the construction of Proposal.

✓ The deadline date for submission of Bids has been extended to 4 January, 2019 at 10:00 am EST.

- **Question:**

One of the Submission Forms. On Form B - Bidder Information Form on the line - Are you a UNDP vendor, request a vendor number. We are registered in the e-Tendering platform but are unable to locate the vendor number. We have seen an RFP reference and an Event ID, but not a specific number for our company. Could you kindly direct us to where this might be? We want to ensure the form is filled out correctly to avoid any confusion.

✓ Regarding the Vendor Number, this is only applicable if you have been awarded a previous or current contract with UNDP. If not, then please indicate - not applicable.
