***\* UNDP Syria is answering on the received questions as in the following:***

	<b>Question</b> السؤال	<b>Answer</b> الجواب
<b>1</b>	We have a clarification about the deadline, if it is possible to extend it for extra days.	the deadline for the submission of the bids has been extended to be on <b><u>11 February 2019 at 2:00 PM.</u></b>
<b>2</b>	item 24 of lot 1  if the grill equipped with electric and gas operation that well make a damage to the electric heaters and lose it so soon almost 3 months.	for item 24 and item 10 this is to be gas operation and for the lighter/igniter to be electric and manual if not the electricity plugged in
<b>3</b>	item 8 of lot 1	½ hp compressor is acceptable.

	<p>The freezer one door with dimensions:70x70x205 .</p> <p>we suggest that equipped with 1/2 hp compressor to reaching the -20 in a shortly time and save electric expenses.</p> <p>that suggests can be useful for item 7 of lot 1 to .</p>	
4	<p>item 10 of lot 1.</p> <p>the deep fryer you mention that equipped with gas and electric operations.</p> <p>did you mean that one tank with gas operations and the second tank with electric operations?</p> <p>or the both tank equipped with electric and gas operations.</p>	<p>this is to be as item 24 to be gas operation for both tanks and for the lighter/igniter to be electric and manual if not the electricity plugged in</p>
5	<p>We have a clarification about the delivery time, that if we can extend it to 60 days instead of 45 days for LOT 1 only.</p>	<p>Delivery time will remain as it is.</p>
6	<p>In LOT1, Item 1,2,3 lower shelf with NET, kindly clarify the type of net and usage</p>	<p>net/reticulate shelf made of Stainless steel for the usage of putting utensils.</p>
7	<p>In Lot. 1, item 10 fryer can't be gas and electric same time, you have to choose</p>	<p>For item 10 and item 24 this is to be gas operation and for the lighter/igniter to be electric and manual if not the electricity plugged in.</p>

8	In Lot. 1: Item 17 display fridge, for pastry, meat or dairy? Do you have a similar picture?	<p>This is for pastry usage (but could be used for any other commodity) and the following picture for clarification only but should be as the requested technical specification:</p> 
9	In Lot. 1, item 18 ; deck oven or convection oven, how many tray 60x40? Electric or gas	<p>As specified in the technical specification this is to be electric – and the oven room should have 4 shelves.</p>
