**ADDENDUM 01 – RESPONSES TO QUESTIONS ASKED DURING SITE VISIT**  
**ITB-031/19 Rehabilitation of 304 Housing Units in Al Resala Neighborhood-Al-Jadedah Area-  
West Mosul**

Based on the site visit, the following questions were asked and with responses given during the site visit:

All interested potential bidders are hereby notified that:

Item No.	QUESTION	UNDP RESPONSE
1	What is the average distance to collect the houses rubble?	The place will be near the neighborhood, according to Municipality Department approval.
2	Does the concrete tests will be required for concrete casting?	Yes. According to the Iraqi technical specification and Iraqi code. For more information you can visit the Ministry of Construction and housing web site: <a href="http://www.moch.gov.iq">www.moch.gov.iq</a>
3	Is it possible that the contractor benefit from the old doors, windows, etc. from the rehabilitated houses after completing the work?	No. It is not possible.
4	Can we employ the householder?	Yes. We encourage the contractor to hire local workers especially females from the targeted neighborhood to rehabilitate.
5	Is there any specific kind of paints that we have to use?	The contractor can provide (Jotun, Betek, CAPAROL, Polisan, dyo or equivalent) paint and it will be subjected to lab tests.

This Addendum- 01 forms an integral part of the ITB 031/19.

All other Terms and Conditions in this ITB will remain unchanged.

Yours sincerely,

Ijaz Hussain
