

26th February 2019

Addendum I

Response to the questions

Invitation to Bid (ITB) ITB/LBY/PEPOL/2019/009

Subject: - Supply and Installation of IT Network Infrastructure for the High National Elections Commission (HNEC), Tripoli, Libya

Case no: ITB/LBY/PEPOL/2019/009

With reference to the Invitation to Bid (ITB) advertised on 13 February 2019. Please note the following questions raised by attendees of the Pre-bid site visit which was held on 20 February 2019 in relation to ITB for Supply and Installation of IT Network Infrastructure for the High National Elections Commission (HNEC), Tripoli, Libya. The UNDP and HNEC technical team have provided the required clarifications to the questions, the details of which are as follows:

All other paragraphs, sections and conditions of the ITB, except as clarified herein, shall remain unchanged.

No	Question	Answer
1	<p>- Given the fact that we were unable to attend the planned site visit on February 20th, we would like to know if we could be allowed to deposit an eligible offer?</p> <p>- If so, please send us the Site Visit Report.</p>	<p>YES (site visit is not a mandatory requirement), you may submit your bid (offer).</p> <p>Below answers to the questions raised during the site visit.</p>
2	<p>- Given the importance of the work to be done, we think that the time to submit a serious offer is very short. Can't you give an extra two weeks for submitting bids?</p>	<p>The deadline for the submission of bids remains unchanged.</p>
3	<p>- FORM F: Price Schedule Form:</p> <p>1. Item 1.1.1 The cable tray and the cable trunk are combined in one item, though they have deferent prices and have to be quoted separate with deferent quantities</p>	<p>1. Kindly quote for the estimated quantities as listed in the price schedule form. All estimates provided are based on a request from the client. The vendor may quote separately for the sub-items. The selected</p>

	<p>and the site survey indicates that the required quantity may be higher.</p> <p>2. The site survey indicates that the Item 1.2.1 (UTP Cable) required quantity may be higher than the estimated quantity. Please advise if it is acceptable to alter the quantity.</p> <p>3. Installing the Socket in Items 1.2.4 is already included in item 1.2.111.</p> <p>4. Item 1.6.1, drawings and design will be quoted but not presented unless we win the tender.</p> <p>5. Item 1.3.4 Fiber Patch Cords Cables SC to LC, please advise the length of the fiber patch cords?</p>	<p>vendor may discuss any significant deviation of Form F, item 1.1.1 once the company has been awarded the contract.</p> <p>2. Kindly quote for the estimated quantities as listed in the price schedule form. All estimates provided are based on a request from the client. The selected vendor may discuss any significant deviation of Form F, item 1.2.1 once the company has been awarded the contract.</p> <p>3. Item 1.2.4 refers to the installation of the sockets itself while item 1.2.11 covers pulling of the cables and end to end installation, i.e. connection with end node sockets, patch panels etc.</p> <p>4. Vendors should provide a quote for this item. However, only the selected company is required to submit the drawings and designs</p> <p>5. 3 meters</p>
4	7.2 Installation and configuration and training Please advise the number of students to be trained?	Two (2)
5	<p>In (Section 4. Evaluation Criteria - Minimum Eligibility and Qualification Criteria – Certificates and license) it is stated that:</p> <p>1. “valid business and authorised distribution licenses from relevant OEM’s.” Is this requirement mandatory?</p> <p>2. “Interested bidders must have appropriate permission / registration from a relevant Government body to operate in Libya (copy must be provided with</p>	<p>1. Yes, it is mandatory.</p> <p>2. Yes, however the selected company may provide such documents to UNDP within a week prior commencement of the work.</p>

	the bid).” Is this requirement mandatory for foreign companies or do they have the possibility to provide it before the commencement of the works?
