

RFP/UNDP/HDRO/001/2019

RFP # 53314

Questions and Answers (Round 4)

Question 1:

Further to your answer to question 7 that the 15-page limit is only applicable for the Company Profile, could you confirm therefore that section 6, Technical Proposal Form, in effect has no page limit? Our understanding is that the Company Profile which is only mentioned in DS 26, is an additional document which does not need to be submitted? If this is correct, we would of course keep the Technical Proposal Form as succinct as possible even if there is no page limit for it.

Answer 1:

Company profile is one of REQUIRED documents (refer to DS 26). It should not exceed 15 pages, including printed brochures and product catalogues relevant to the RFP.

The Technical Proposal Form has no page limit.
