

Question and Answer No. 3

RFP-020/19-ICRRP Final Project Evaluation (Re-advertised)

No.	Question submitted by bidders	Answer by Technical and Procurement Teams
1	Note 'a' under Table 3 references 'reimbursable costs that will be reflected in Table B.2 require proof of expenditure.' There is no table B.2. Is this in reference to Table 3? Is Table 3 intended to solely be comprised of reimbursable costs (so all costs are based on core staff or direct costs)?	Note a under Table 3 shall read "Reimbursable Costs that will be reflected in Table B.2 require proof of expenditure". Breakdown of professional fees (remuneration) should be reflected in Table 2. Any other costs should be captured in Table 3 (other costs or reimbursable).
2	Further to the above question, how should costings for survey interviewers (for collection of quantitative data) be reflected? In the Miscellaneous category? Or as additional supplementary staff?	Costings for data collection (e.g. interviewers) may be reflected into Support Staff Capacities depending on the bidder's methodology and costing approach. When adding this staff, please ensure to provide necessary justifications in the Technical Proposal, and submit relevant supporting documents such as CVs, as part of the overall submission.
