**ADDENDUM 01 - RESPONSES TO QUESTIONS ASKED DURING SITE VISIT:**

**Re-advertised ITB 076-19 Rehabilitation of Police Station in Tel'afer – Ninawa Governorate, Iraq**

Based on the site visit, the following questions were asked and with responses given during the site visit.

#	BIDDER QUESTIONS	UNDP RESPONSES
1.	What is purpose of the soil investigation item?	The purpose of this is to find out the Bearing capacity of soil and to determine the depth of drilling for soil replacement (if needed) to match the dimension of the foundation we have placed.
2.	Is the area of the land enough for the building to be established?	Yes, it is
3.	Are the quantities in the BOQ adequate?	Yes, the quantities are sufficient and meet the required purpose.
4.	Is the duration of the project sufficient to complete the work?	Yes, is it sufficient if the commitment to the progress schedule is met.
5.	Is the site safe to work?	Yes, it is.

**This Addendum I form an integral part of the ITB-076/19.**

**All other Terms and Conditions in this ITB will remain unchanged.**

Yours sincerely

Piero Emanuele Franceschetti
