**Bid Bulletin No. 3
RFP-084-2019-PHL**

Services of a PR Firm for the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM)

Dear All,

Please see response below from one of the inquiry received from prospective bidder.

Inquiry	Response
Would you have a working budget for this proposal?	As per UNDP policy, we do not disclosed the budget for any procurement opportunity.
Are letters D (Cost Breakdown by Deliverable) & E (Cost Breakdown by Cost Component), the prescribed formats, or may we submit our own format of the breakdown?	Table presented in Item D is the format for the breakdown of the cost for payment schedule as reflected in the Terms of Reference. For the Table in item E, you may amend the format, please make sure that the details of the breakdown of the cost are presented (professional fess, out of pocket and other expenses, etc.)
May we also clarify if we are to include the said tables in Annex 2 during submission, or will these tables be separate and be part of the Financial Proposal only?	Presented in Table 2 are the items to be submitted with the proposal, you may separate the submission of items A to C and just put the text "see attached file" and include only in items D and E in Annex 2.

Please be guided accordingly.

Thank you.

Yours sincerely,
