Subject: FW: Clarification on the forms of Project "Elaboration of Unified Multi-hazard Mapping and Risk Assessment Methodologies and Technical Support in Multi-Hazard Mapping and Risk Assessment"

Dear Mr. Turan,

Please see answers to your queries (in red):

1. Filling Form B;
When the bidder is a joint venture, how do we fill the form B?
There are 3 parties in the joint venture. Which party is supposed to fill year of registration and other informations.
Can each party fill Form B separately and submit three of them in the same RFP respectively or should there be only 1 Form B?

Form B should be completed by ONLY the Lead Partner of the JV who is submitting the BID

2. RFP NO: 56518 right?
Yes this is the RFP #
3. FORM D;
In the Financial Standing – How should we show the turnovers of each company?
Can we submit FORM D separately for each party?

In case of JV/Consortium/Association Form D should be completed by each partner separately

Best Regards,
Salome
