Dear Mrs. Lomadze,

We would like to express our interest to submit our proposal for **Elaboration of Unified Multi-hazard Mapping and Risk Assessment Methodologies and Technical Support in Multi-hazard Mapping and Risk Assessment**.

Hereby, we would like to kindly ask you for extension of deadline for submission of proposals (preferably until 25<sup>th</sup> of July, 2019) which would allow to prepare an offer meeting your highest expectations given the significance and scale of the project.

Looking forward to your reply,

Best Regards,  
Tato.
