Dear Mr. Gonzva,

Total working days include the missions in Tbilisi, meaning e.g. in 2019 150 working days are considered in total and that includes 50 mission days.

Best,  
Salome

Dear Salome,

Thank you for the reply. This is very clear.

Another information regarding page 42 of the terms of references : are the home-based working-days included in the distribution of effective person-days per year ? I mean, for example about Year 2019 : is it 150 working days including 50 days in Tbilisi, or is it 150 + 50 = 200 working days ?

Thanks,  
Michael Gonzva

Dear Nino Sherozia,

Thank you for your reply and for the document.

I just need more information regarding the deadline on July 11th 12:00 GMT+4: do you need to receive our bid in Tbilisi by post (courrier) before this date or is it the date as per postmark?

Regards,

Dear Nino,

RESALLIENCE ([www.resallience.com](http://www.resallience.com)) is very interested in the RFP « Elaboration of Unified Multi-hazard Mapping and Risk Assessment Methodologies and Technical Support in Multi-hazard Mapping and Risk Assessment » and will submit a proposal before July, 11<sup>th</sup>.

Unfortunately, we were not available on June, 18<sup>th</sup> for attending the pre-bid conference. Is it possible to get a brief summary of the discussions ? This could be very useful for us during the preparation of our proposal.

Thank you,

Best regards,
