Project: Strengthening Climate Adaptation Capacities in Georgia (00113003)
Subject: Revision of the Form D Qualification Form under RFP 56518

Due to inconsistency of the requirements under section "Previous Relevant Experience" of the *Form D Qualification Form*, of the *Section 6 Returnable Bidding Forms* with the *Section 4. Evaluation Criteria* under the RfP 56518 on *Elaboration of Unified Multi-hazard Mapping and Risk Assessment Methodologies and Technical Support in Multi-hazard Mapping and Risk Assessment* the form D was revised to follow the evaluation criteria as given under Section 4.

The following revision was made to the form D Qualification Form:

"Please list only previous similar assignments successfully completed in the last 3 years" was replaced with the following requirement: *"Minimum 3 (three) contracts of similar value, nature and complexity implemented over the last 10 years"*.

The revised Section 6 with updated Form D is uploaded, and the change is marked in red for easy reference.
