**Subject:** RE: Question for clarification - RfP Unified Multi-hazard Mapping and Risk Assessment Methodologies

Dear Mr. Fischer,

Thank you for pointing out the issue regarding the section on "previous relevant experience", the minimum criteria is Minimum 3 contracts of similar value, nature and complexity implemented over the last 10 years. (For JV/Consortium/Association, all Parties cumulatively should meet requirement) as indicated in the Section 4. Evaluation Criteria. The inconsistency in the Form D will be corrected and revised form uploaded on the relevant links shortly.

Best Regards,  
Salome

**Subject:** Question for clarification - RfP Unified Multi-hazard Mapping and Risk Assessment Methodologies

Dear Mrs. Lomadze,

I am writing you related to the Request for Proposal for the "Elaboration of Unified Multi-hazard Mapping and Risk Assessment Methodologies and Technical Support in Multi-hazard Mapping and Risk Assessment" within the project "Strengthening Climate Adaptation Capacities in Georgia".

I have a question on the bidding form D in the section "previous relevant experience". It is a minimum criterion to add 3 statements of satisfactory performances for similar assignments completed in the last 3 years. Is it also possible to add previous relevant experience and recommendation letters of project which were completed in the last 5 to 10 years?

Thank you for your short answer.

Kind regards,

Benjamin Fischer  
Project Manager / Junior Specialist in Natural Hazards, Disaster Risk Reduction and GIS  
MSc Geography
