#	REFERENCE / DOCUMENT / SECTION / CLAUSES	Bidder Query	UNDP Response
1.	Bid data sheet	Our company intends to supply generators from overseas which will be shipped to abroad and sailing time is 20-25 days, therefore, the delivery period indicated in ITB is not realistic for take Voyage. Can UNDP accept delivery period (8-9) weeks from the date of order confirmation?	The requested tractors are urgently needed by the project beneficiaries. Bidders shall comply to ITB requirement.
2.	Section 5a: Schedule of Requirements and Technical Specification and Schedule of Distribution/ Section 5b	As per the ITB, delivery is 10 different destinations. Is it possible we supply all machinery at one place suggested by UNDP Sudan?	No, Tractors and implements shall be delivered to project sites indicated in the schedule of distribution. Bidders shall comply to ITB requirement.
3.	Bid data sheet	As per the ITB, bid security is USD10,000, which should be deposit before last date of ITB. Please note we are UAE based company and due to US sanctions on Sudan, no bank is agreed to provide bid security for this tender. Can you allow us to submit our bid without Bid security?	Bid security is one of the mandatory requirements of this ITB and our experience in similar tenders there has not been any issue in this regard. Bidders shall comply with ITB requirements.
4.	Bid data sheet	For the Bid Security, can UNDP accept insurance certificate from insurance company?	No, Bid security shall be issued from a reputable Bank. Bidders shall comply with ITB requirement.
