Reference is made to the UNDP published procurement notice for the ITB-104/19 Rehabilitation of the University Theater Hall-Mosul University-East Mosul-Ninawa Governorate on UNDP, UNGM and Development Business websites respectively.

All interested potential bidders are hereby notified about the following clarification:

1. **Question:** Kindly clarify the specific requirement for item 1.

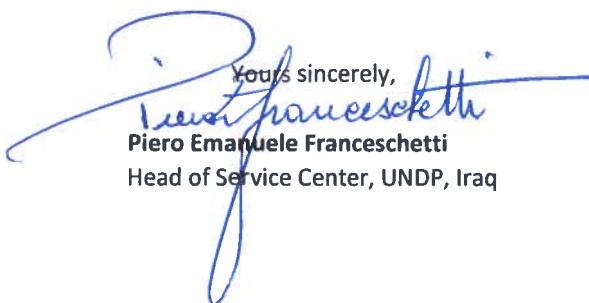

The item 1 should include:

1	<p>All costs related to providing all services required by contractor and specified in special and general conditions of the contract and in technical specifications (divisions 1 to 16) and shown on drawings, including all preliminaries and temporary utilities and facilities specified complying with all requirements as specified under specification division-1 shall be included in the rates of measured items in the BOQ, unit price for the measured items shall include but not limited to</p> <ul style="list-style-type: none">• All mobilization works,• Overhead,• Equipment and tools,• Engineering offices,• Site temporary offices as specified in specification section 01510 and accommodation for the use of the Contractor,• Setting out,• administration and security,• safety,• transportation,• temporary fencing,• temporary entrances,• project sign,• all required tests,• protection of all materials and equipment,• disposal of debris,• compliance with traffic regulations,• mock-up room off-site,
---	--

	<ul style="list-style-type: none"> • maintenance of public and private roads, • services and adjoining property, • control of noise and pollution, • drying the works, • prevention of fire and compliance with all other statutory and general obligations, • field Engineering, design, co-ordination, installation and as-built record and shop drawings and the like, preparation and submittal of reports, records, certificates, notices, designs, details, calculations and other information and data required by the Specification, • insurances, bonds and guarantees and all other costs compliance with all other requirements, provisions and obligations contained in the General Requirements, Specifications and Conditions of Contract
--	--

2. The Electrical, Mechanical and Plumbing Drawings have been uploaded.
3. Related to the additional documents attached with the ITB, once again we want to mention that: All works are bounded by the terms of the attached international Technical Specifications. The bid that was not prepared in light of these Annexes will not be considered. Please kindly attached a confirmation that the bid was prepared in light of these Annexes/compliance sheets.

This Clarification-01 forms an integral part of the ITB-104/19. All other Terms and Conditions in this ITB will remain unchanged.

Yours sincerely,

Piero Emanuele Franceschetti
 Head of Service Center, UNDP, Iraq
