	QUESTIONS	ANSWERS
1	In the data sheet for the RFP 'Project Designs for Conservation of the Panagia Kanakaria Monastery' of the reference the Financial Standing says "Minimum average annual turnover of EURO 500,000 for the last 3 years"- I would like to confirm if that means a sum of at least EURO 1.500.000 in those three years.	Please note that the Financial Standing is now revised with a revision to the solicitation document as "'Minimum turnover of EURO 500,000 for the last 3 years", please see revision no:1 dated 3 September 2019(revised solicitation document).
