4. FINANCIAL PROPOSAL

This is a Lump sum output-based contract. Therefore, the interested offerors are requested to submit **Final All-Inclusive Price** with cost breakdown.

5. EVALUATION

Offerors will be evaluated based on the Cumulative analysis.

- Technical Qualification (100 points) weight; [70%]
- Financial/Price Proposal (100 points) weight; [30%]

A two-stage procedure is utilized in evaluating the proposals, with evaluation of the technical proposal being completed prior to any price proposal being compared. Only the price proposal of the Offerors who passed the minimum technical score of 70% of the obtainable score of 100 points in the technical qualification evaluation will be evaluated.

5. 1. Technical qualification evaluation criteria:

The total number of points allocated for the technical qualification component is 100. The technical qualification of the offeror/individual is evaluated based on following technical qualification:

Technical Evaluation Criteria	Obtainable Score
A master's degree in environment management and policy, international development policy, law or related, relevant field(s)	20
At least 7 years of prior relevant work experience including environmental policy and research, technical report-writing at the nexus of environmental science and policy. Experience drafting and editing policy documents is a plus	25
Experience drafting and editing policy documents	25
Strong analytical skills, proven ability to synthesize diverse data combining quantitative and qualitative methods, technical report-writing in English as well as ability to develop policy recommendations based on scientific data. This will be evaluated based on a list of publication record.	30
Total Obtainable Score:	100

Only the offerors who have attained a minimum of 70% of total points will be considered as technical qualified offerors.

5. 2. Financial/Price Proposal Comparison:

- Only the financial/price proposal of offerors who have attained a minimum of 70% score in the technical qualification evaluation will be considered and evaluated. The total number of points allocated for the price component is 100. Below is the formula used for this evaluation:

$$\text{Rating for Financial Proposal} = (\text{Lowest Priced Offer} / \text{Price of the Offer Being Reviewed}) \times 100$$

5.3. Selection Method and Award Criteria:

The award of the contract should be made to the individual consultant whose offer has been evaluated and determined as:

- Responsive/compliant/acceptable, and
- Having received the highest score out of a pre-determined set of weighted technical and financial criteria specific to the solicitation. The total score for each offeror will be calculated independently by this formula: Total Score = Technical Qualification Score x 70% + Financial Score x 30%
