Bid Bulletin No. 2
RFP-148-PHL-2019: Services of a Strategic Innovation Advisory Firm under the
#NextGenCities Philippines Initiative

Dear All,

We are pleased to provide a response to a query we have received with reference to the abovementioned project.

Clarifications from Bidders	Responses
1) Is the incumbent employee status requirement for the lead expert strictly pass/fail? Would the failure to meet this particular criterion disqualify the entire proposal?	Yes, the Lead Innovation Specialist <u>must</u> be an incumbent employee of the Firm. Failure to comply with this requirement will render the proposal non-compliant.

Please be guided accordingly.

Thank you.
