Fiji has ratified the United Nation Convention against Torture (UNCAT) in Mar 2016. One of the key principles of this international treaty with its binding powers is Prevention of Torture and Cruel, Inhuman Degrading Treatment or Punishment.

Fiji Police Force is one of the prime law enforcement agencies responsible for implementation of this key treaty. Article 11 of the convention stipulates, *“Each State Party shall keep under systematic review interrogation rules, instructions, methods and practices as well as arrangements for the custody and treatment of persons subjected to any form of arrest, detention or imprisonment in any territory under its jurisdiction, with a view to preventing any cases of torture”*. As such, Fiji as a jurisdiction needs to comply with its provisions and provide constant updates on the progress of implementation to the United Nations. Fiji is due to provide next progress report to Geneva in 2022.

Based on these requirements, FPF, in conjunction with other key stakeholders, launched the First Hour Procedure (FHP) and Video Recorded Interview (VRI) pilot project on 1 Nov 2016. The pilot was initially launched at CIDHQ and Central Police Station with the intention of gradually expanding to all other Police Stations Fiji wide.

UNDP Pacific Office in Fiji therefore intends to hire a qualified company/firm to supply the following items on a Long Term Agreement (LTA) for a period of 3 years.
