ATTACHMENT-1 ANSWERS TO QUESTIONS FROM PROSPECTIVE BIDDERS

Question 1: Is it possible for Bidders to depend on the previous experience of subcontractors in order to satisfy the criteria defined in the Previous Experience Article under Section 4: Evaluation Criteria of the ITB?

Answer 1: It is not possible for Bidders to depend on the previous experience of subcontractors in order to satisfy the previous experience criteria defined in the ITB. It is clearly stated in the Form D: Eligibility and Qualification Form of ITB document that assignments for which the Bidder was legally contracted by the Client as a company or was one of the Consortium/JV partners should be submitted within the scope of this ITB. The assignments completed by the Bidder's subcontractors cannot be claimed as the relevant experience of the Bidder.
