

UNDP's Response to Proposers' Question
RFP/UNDP/003/2014/DOCO for the Development & Implementation of the Country
Coordination Reporting System – Round 4

| | | |
|----------|----------|---|
| 1 | Q | The question is whether UNDP has any performance criteria for page rendering i.e. how much time the page should take to render on your screen. |
| | A | It shouldn't take more than 1 second for a page/screen to load if it's a web based proposal (keep all images and db queries optimized). |
