1	Q	Please can you tell me what the UNPD list 1267.1989 is?
	A	UNPD list 1267.1989 is basically a list of companies that are suspended/sanctioned by the United Nations or other UN Agencies (including World Bank) from doing business with the United Nations. If your company is not undertaking in proscribed practices, including but not limited to corruption, fraud, coercion, collusion, obstruction, or any other unethical practice with the United Nations or any other party and conducting business in a manner that averts any financial, operational, reputational, or other undue risk to the UN, then your company should be fine.
