

Addendum 2

Technical Support in Development of Climate Scenarios in Viet Nam – Preparation of National Projections (Package 1 – PRECIS Model) Date:

Date: 12 September 2014

Please find below UNDP's answers to written queries from potential bidders:

No.	Query	Answer
1	What is the temporal resolution of the PRECIS model output? Is it daily or sub-daily?	The temporal resolution of the PRECIS model output is daily data
2	Are climate change outputs required for a specific future time period (such as the '2050s' which is generally taken at the years 2041-2070...or something else)?	Having projection at every month, season and year.
3	In which format would the PRECIS model data be provided for our analysis?	Precis has PP format only
