

Script breakdown for film on 'Foresight in Public Service'
FOR REFERENCE ONLY

NB: Sections in *Italics* indicate unedited footage or visuals that the commissioning organisation already have.

Segment	Section	Description	Visuals	Section Duration	Total Duration
	1	Opening Titles		15"	15"
Segment One	2	What if this happens? (Alternative: What we want the world to look like? How do we get there?)	Images of black swan headlines? Images of space/stars? Images of peaceful, functional societies?	30"	45"
	3	Don't worry... this is what "xxx" did (Alternative: Coping with complexity – climate change, urbanisation, youth unemployment, etc)	<i>Footage of climate change pigs on Tongan mud flats?</i> <i>Footage of young Tongan men making bark cloth</i> (traditionally a woman's job)?	15"	60"
	5	Foresight is... (Alternative: How foresight addresses complexity; examples of foresight techniques)	Graphics required	30"	90"
Segment Two	4	Traditional planning cycles work	Graphics required, see ppt	30"	120"
	6	How foresight approaches change planning cycles (Alternative: How foresight enhances traditional planning)	Graphics required, see ppt	30"	150"
Segment Three	7	"foresightXchange" is...	<i>Still images from Tonga; graphics required</i>	45"	195"
	8	Here's what they thought (Tonga Respondents)	<i>Interview footage from Tonga</i>	45"	240"
	9	How might foresight approaches benefit you		20"	260"
	10	Credits		15"	275"
