Dear Sir,

**Ref: Interactive Vendor Conference**

UNDP Afghanistan Supply Chain Management Office in its commitment to the development Agenda is organizing a vendor interactive Conference on Business related issues. This is meant to address Vendor concerns in doing business with UNDP and to get feedback on our current processes especially the newly introduced E-Tendering System among others.

We are therefore inviting you to submit comments, suggestions, views, complaints and any other business related issues to us. These will form the basis of our discussion. Kindly send your contributions to [catherine.karanja@undp.org](mailto:catherine.karanja@undp.org).

We will be receiving your contributions between 16<sup>th</sup> October to 16<sup>th</sup> November 2014 and thereafter announce the date, time and venue of the conference.

Please note your comments, suggestions, views and complaints will form the agenda of the conference. We want to hear from you so that we can improve our business relationship. You can present your contributions in any format but please do not PDF your documents to ease the compilation process.
