1	Q	We would like to ask you about the final purpose from the Data Crowdsourcing as a part our campaign strategy insights. We understand that the data will be fed into the Jakarta Smart City platform as part of the mapping of the city's wider culinary attraction. But, when that this idea will be implemented to Hackathon Jakarta 2015 or for the Jakarta Smart City?
	A	The data will feed into both HackJak 2015 and the Jakarta Smart City. The data available in time for HackJak 2015 will be used at the event on 2nd August and the entire dataset will be handed over to Jakarta Smart City on 30th August.
