Procurement Unit will respond in writing or by standard electronic mail and will send written copies of the response, including an explanation of the query without identifying the source of inquiry, to all consultants.

BACKGROUND

UNDP Myanmar has been implementing UNDP Country Programme for 2013-2017 with the aim to promoting local governance, growth and sustainable development with the emphasis on rights-based, gender sensitive, inclusive and equity. This goal will be pursued through three complementary components; Local Governance, Environmental Governance and Disaster Resilience, and Democratic Governance.

Environmental Governance and Disaster Resilience Component of UNDP Myanmar - focuses on strengthening capacities at local, regional and national level to manage and utilize natural resources in a sustainable way, and to enhance resilience and adaptive capacity to long-term climate change including variability impacts and to reduce the associated risk of natural disasters.

UNDP has been closely working with Ministry of Environmental Conservation and Forestry to improve environmental governance in Myanmar. The Environmental Conservation Department, which is chairing the Government's Environment Sector Working Group, requested UNDP to assist in the development of a "National Environmental Policy, Strategy Framework and Master Plan". It will serve as a guiding policy framework to incorporate environmental conservation in relevant
