ADDENDUM
To
SLE/ITB/2016/01 Supply and Installation of Automatic Hydrological Monitoring

The United Nations Development Programme ("UNDP") Sierra Leone issued ITB No. SLE/ITB/2016/01 Supply and Installation of Automatic Hydrological Monitoring on 2nd June 2016. The same was published in <http://procurement-notice.undp.org/item-No-30286> and UNGM

Additional time is required to ensure satisfactory completion of civil works not previously included in the original ITB. The extension therefore serves to facilitate proper preparation of the offers. Extension dates are as follows

No	Items description	Dates	Remarks
1.	Closing date of ITB	8 th July 2016	
2.	Deadline for bid clarifications	25 th July 2016	
3.	Public Bid opening Date	11 th July 2016	

This addendum contains:

1. Bill of quantities for the civil works
2. Drawings for the Civil Works
3. Google map of the installation sites
