*Empowered lives.
Resilient nations.*

Subject: Supply of ICT Equipment, Computer Lab Setup and Installation at Afghanistan National Police Academy (ANPA)

Dear Sir or Madam,

Please find below questions and the responses. Please note that the deadline for submission of bid is extended from September 07, 2016 at 10:00 am (Kabul time) to September 10, 2016 at 10:00 am (Kabul Time).

Questions and Responses

S/N	Question	Response
1.	In connection with item 2, you ask for 4 x Dell Latitude 14 7000 Series Ultrabook (E7570) – and mention “Display 12” FHD (1920x1080) _Anti-Glare (16:9) WLED”. However, please note that Latitude 14 is a Dell Latitude E7470, which is a 14” laptop, whereas the specification of the display (12”) would indicate a Dell Latitude E7270 (12.5”). Dell Latitude E7570 must be a typo as there is no model with that name, so for sake of good order please advise which one of the following models you need: Dell Latitude E7470, 14.0” or Dell Latitude E7270, 12.5”	We requested Dell Laptop Computer (Latitude 14 7000 Series Ultrabook™ (E7450).
2.	Is there a Server provided to allow for reinstalling an Image on the PC / Laptops hard disk (HDD)?	These computers will connect to the MoIA network and they are responsible for backups and other issues
3.	Is the 1 (One) year Warranty, back to base or Support On-Site?	Each Items must have at least one-year warranty
4.	Is ESTNOD32 Antivirus from Eset and are there any connectivity required to a central server?	Yes
5.	Are there any Master agreement available to get best discount to UN	NO
6.	Can the licenses be OEM?	No, must be retail
7.	Are there any Master Agreement with Microsoft for purchases of licenses?	No
8.	Microsoft Windows Professional 7 is nearing EOL. If hardware comes with Windows 10 pre-installed, will that be accepted?	No, all computers must have installed genuine windows 7 professional with ability to upgrade to windows 8, due to MoIA requirement.
9.	Is it allowed for the Keyboard to be in English only?	Default keyboards in the Dell All in one PCs are English only and

		ability to upgrade to windows 8, due to MoIA requirement.
9.	Is it allowed for the Keyboard to be in English only?	Default keyboards in the Dell All in one PCs are English only and Wireless.
10.	According to TIA Standards there are no legitimate Category 6e standards and Cat 6e is not a recognized standard by the Telecommunications Industry Association (TIA). Is it required by UNDP to exceed Cat 6 Standards and if so, can Cat 6A be used in place of Cat 6e?	Cat 6A is fine.
11.	Please verify that the Performance Security deadline for submission is upon notice of award, and not to be submitted with the bid.	UNDP will obtain 10% of total contract as performance security from supplier who is going sing contract

Yours sincerely,

Procurement Manager/OIC
