Clarifications No. 2 in response to inquiry raised by one of the bidders – Providing International Consultancy Services for Partnership and Resource Mobilization (PRM)

Reference is made to the Request for Proposal posted on 24 October 2016 with the above subject. A clarification has been provided in response to the inquiry raised by one of the bidders on below issue.

**Q1: Will UNDP attach a local staff member or a local consultant to guide/research and act as facilitator for meetings/readings of documentation in Farsi??**

**Answer:** UNDP-Iran is hiring a national consultant to facilitate communication with national counterparts. The national consultant is also meant to lead review of national policy and regulatory frameworks and feed the whole work package with a thorough understanding of national context.
