AMENDMENT NR.1

Subject: Revisions in Technical Specifications and Extension of Time for the deadline for Procurement of 4 units of Hydraulic Compaction Waste Trucks

Ref : UNDP-TUR-ITB(SR)-2017/06

Dear Madam/Sir,

In relation to our ITB for procurement of 4 units of Hydraulic Compaction Waste Trucks within the scope of Strengthening Social Stability in Southeast Anatolia Region, issued on 13.07.2017 with reference nr. UNDP-TUR-ITB(SR)-2017/06, you are hereby provided with the "Revisions in Technical Specifications".

To provide convenience for prospective bidders the ITB deadline has been extended to Wednesday 03 August 2017, 15:00. Bids submitted later than the date and time specified herein shall not be accepted.

All other conditions stated in ITB will remain valid.

You are kindly requested to submit your quotes till the above date to the address stipulated in ITB.

Yours sincerely,

Irena Vojackova Sollarano
Resident Representative

Attachment-I- Clarifications in Technical Specifications

Attachment-I:

'Revisions in Technical Specifications'

REV. NR.	DOC. NR.	CLAUSE AS ORIGINAL	REVISED/CHANGED CLAUSE
1	Section 3a 1.4	The arms of the container loading system to be placed on the rear lid shall be foldable and be able to empty at least two different sizes of waste containers to be specified by the requiring municipality into the waste loading chamber. During unloading, the container shall be able to be rotated 135° with regard to its first position.	The arms of the container loading system to be placed on the rear lid shall be foldable and shall at least be able to empty metal container specified as (H X L X D); 119 X 116 X 69 cm and plastic container specified as (H X L X D); 88 X 110 X 70 cm. Capability of emptying more dimensions will be welcomed into the waste loading chamber. During unloading, the container shall be able to be rotated 135° with regard to its first position.
