| No.      | Subject                    | Requirement  |                            | All Members Combined               | Each Member | One Member | Submission Requirements   |
| 4.2      | <b>Specific Experience</b> | <p>A minimum number of 3 similar contracts specified below that have been satisfactorily and substantially<sup>7</sup> completed as a prime contractor, joint venture member <sup>8</sup>, or management contractor between 1st January 2013 and Application submission deadline:</p> <p>Contract(s) with a minimum cumulative value of US\$15 million covering within its/their scope;</p> <p>(a) supply of passport books with electronic storage device and <b>Color or Black&amp;White</b> polycarbonate sheet and preferably evidencing experience with implementation of ICAO 9303 DOC series.</p> <p>(b) supply and installation of ICT hardware used for the production of personalized passports.</p> <p>(c) Information and data system design and/or management relating to personalized passports.</p> <p>This requirement can also be satisfied with at least 1 single contract meeting</p> | Must meet requirement      | Must meet requirement <sup>9</sup> | N/A         | N/A        | Form EXP 4.2, copies of contracts <b>or</b> certificates of performance <b>signed by the corresponding clients and include information that allows the evaluation committee to verify the specific fulfillment of the specified minimum requirements.</b> |

<sup>7</sup> Substantial completion shall be based on 80% or more of the contracts completed.

<sup>8</sup> For contracts under which the Applicant participated as a joint venture member or sub-contractor, only the Applicant's role and responsibilities shall be considered to meet this requirement.

<sup>9</sup> In the case of JV, the value of contracts completed by its members shall not be aggregated to determine whether the requirement of the minimum value of a single contract has been met. Instead, each contract performed by each member shall satisfy the minimum value of a single contract as required for single entity. In determining whether the JV meets the requirement of total number of contracts, only the number of contracts completed by all members each of value equal or more than the minimum value required shall be aggregated.

| Criteria |  |  | Single Entity Requirements | Joint Venture Requirements          |             |            | Documentation   |
|----------|--|--|----------------------------|-------------------------------------|-------------|------------|---|
