**at the UNDP CO Mauritius**

	<b>Question</b>	<b>Reply</b>
1.	Is it mandatory that the Statement of satisfactory performance from the top three (3) clients in terms of contract value during the past ten (10) years be submitted?	Yes
2.	Could the grievance mechanism stipulated in the terms of reference be elaborated?	The grievance mechanism has been set up to receive and manage any public complaints received. The consultant in close collaboration with the contractor shall deal with the complaints lodged in consultation with the client. A full time kiosk shall be provided by the contractor on the project site to that effect.
3.	To whom should the additional clarifications be addressed?	Please refer to Clause 17 of the data sheet.
4.	When the works are expected to start?	On around August 2018, as stipulated under Clause 29 of the data sheet
