The Clarification Note to Bidder's queries

Process Number No: 9904

Reference to the above RFP, UNDP has received the below queries from bidder and we would like to share the clarification as below:

No.	Questions	Answers
1	Would it be possible of you to: <ul style="list-style-type: none">• Provide a funding range• the eligibilities for the work• and further clarification that you think are important for us to have.	<ul style="list-style-type: none">• For transparency and fair competition, the budget range cannot be disclosed.• Both company and NGO are eligible to submit proposal.• Two important notes for applicant:<ul style="list-style-type: none">- The applicant should go back to ToR section personnel. The assignment needs a team leader who can be either Cambodian or non-Cambodian. But it is important that other two team members are Cambodians because they need to write lessons and assessments in Khmer Language.- Take note of number of days to be in Cambodia in section duty station.
