Dear Ms Sujitha Sekharan,

Re: Request for extension for submission of bid  
RFP No: RFPMUS2019/002

Project: Accelerating the Transformational Shift to a Low-Carbon Economy in the Republic of  
Mauritius (Project ID: 00106328/Award ID: 00105006)

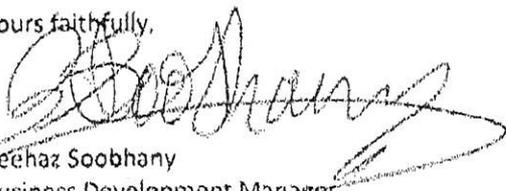

We wish to confirm to you our firm intention to submit our proposal for the above mentioned project. However, we would kindly request an extension of time up to the 30<sup>th</sup> of April

- Since the solution is cloud based, this requires further negotiations with third party suppliers.
- This is a full fledge ERP and will require significant preparation for the bid

We believe the small extension requested will provide us a more realistic time frame to produce a quality bid, which will eventually be to the advantage of the UNDP.

Thanking you in advance, we do count on your comprehension for such.

Yours faithfully,

  
Reehaz Soobhany  
Business Development Manager
